Water Quality Consumer Confidence Report Technical Consulting Services for the Municipal Water District of Orange County

I. Introduction

The Municipal Water District of Orange County (MWDOC) invites your firm to submit a proposal to provide for technical consulting to assist approximately 25 MWDOC Member Agencies (retail water districts and city water departments) in preparation of their respective 2017 water quality Consumer Confidence Reports (CCR).

II. Background

The Municipal Water District of Orange County (MWDOC) is a wholesale water supplier and resource planning agency. Our efforts focus on sound planning and appropriate investments in water supply development, water use efficiency, public information, legislative advocacy, water education, and emergency preparedness. MWDOC's service area covers all of Orange County, with the exception of the cities of Anaheim, Fullerton, and Santa Ana. We serve Orange County through 28 retail water agencies.

Local water supplies meet nearly half of Orange County's total water demand. To meet the remaining demand, MWDOC purchases imported water – from northern California and the Colorado River – through the Metropolitan Water District of Southern California (Metropolitan). MWDOC delivers this water to its 28 client agencies, which provide retail water services to the public.

MWDOC is governed by a seven-member Board of Directors. Each director is elected by the public to represent a specific portion of Orange County. MWDOC also appoints four representatives to advocate the interests of Orange County on the Metropolitan Board. MWDOC is the third largest Metropolitan member agency and holds key leadership positions on the Board of Directors that oversee policy development, strategy, and implementation.

III. Scope of Services

The Municipal Water District of Orange County (MWDOC) is seeking proposals for technical consulting to assist approximately 25 MWDOC Member Agencies (retail water districts and city water departments) in the preparation of their respective 2017 water quality Consumer Confidence Reports (CCR). Public water systems are required under California Health & Safety Code §116470 (PDF) to prepare a CCR and provide their customers with a printed copy of that report no later than July 1 of each year.

MWDOC facilitates project efficiency and the containment of member agency costs through economies of scale by retaining a consultant to provide the agencies with technical assistance in the

compilation, review and preparation of their water quality data tables (imported, groundwater, local surface, etc.), the development of language for any applicable violation notices, and related work prior to that information being published and provided to their customers. There are typically 25 agencies that participate in this coordinated effort each year but that number could be higher or lower. As such, proposals should be based on assisting as few as 20 agencies and as many as 27 agencies.

Under the scope of services, the Consultant will provide necessary technical data and tables to water districts or their consultants for design, layout and printing of the final report for delivery to customers.

The following list includes all MWDOC member agencies that might utilize the assistance of the MWDOC provided technical consultant for their 2017 CCRs:

1. City of Brea
2. City of Buena Park
3. City of Fountain Valley
4. *City of Fullerton

The meetings will allow for the review and discussion of the agency's data tables and other information needed to complete the technical work on the agency's CCR. Additional site meetings may be necessary as circumstances warrant.

The consultant is also expected to be:

- Flexible and timely
- Committed to meeting specific project deadlines
- Responsive to MWDOC and its member agencies by providing a high level of customer service
- Knowledgeable of the legal and regulatory compliance requirements that water agencies must meet with their CCR
- Capable of working directly with city water departments and retail water districts to address issues specific to their respective water systems as it relates to the preparation of their CCR
- Capable of delivering the final product to the participating MWDOC member agencies on time.

The following list of tasks reflect the basic scope of work that the technical consultant shall be expected to fulfill. It shall also serve as the foundation upon which proposals are based:

- Conduct interviews with member agencies for the purpose of reviewing water quality data applicable to the year 2017 CCR water quality tables and discussing nature of any customized or mandatory language that may be required.
- Conduct water quality data scoping sessions with specific agencies as needed. (In the past this has included South Coast Water District, City of San Juan Capistrano, City of La Habra, Irvine Ranch Water District, Serrano Water District, Trabuco Canyon Water District and City of San Clemente, and others if needed.)
- Follow-up discussions with agencies.
- Revise MWDSC water quality data table.
- Prepare draft data tables for each MWDOC member agency.
- Prepare final data tables after review by MWDOC member agencies.
- Determine which agencies will require mandatory health effects language based on water quality data and agency interviews. Coordinate inclusion of all mandatory and non-mandatory text for each agency with graphic designer(s).

----------------------	--------------------

§7100 PURPOSE

The policy of MWDOC is to maintain the highest standards of ethics from its Board members, officers and employees (all shall be referred to as employees for the purposes of this section). The proper operation of MWDOC requires decisions and policy to be made in the proper manner, that public office not be used for personal gain, and that all individuals associated with MWDOC remain impartial and responsible toward the public. Accordingly, all employees are expected to abide by the highest ethical standards and integrity when dealing on behalf of MWDOC with fellow Board members or employees, vendors, contractors, customers, and other members of the public.

§7101 RESPONSIBILITIES OF BOARD MEMBERS

Board members are obliged to uphold the Constitution of the United States and the Constitution of the State of California and shall comply with all applicable laws regulating Board member conduct, including conflicts of interest and financial disclosure laws. No Board member or officer shall grant any special consideration, treatment, or advantage to any person or group beyond that which is available to every other person or group in the same circumstances.

§7102 PROPER USE OF MWDOC PROPERTY AND RESOURCES

Except as specifically authorized, no employee shall use or remove or permit the use or removal of MWDOC property, including MWDOC vehicles, equipment, telephones, office supplies, and materials for personal convenience or profit. No employee shall require another MWDOC employee to perform services for the personal convenience or profit of another employee. Each employee must protect and properly use any MWDOC asset within his/her control, including information recorded on paper or in electronic form. Employees shall safeguard MWDOC property, equipment, monies, and assets against unauthorized use or removal, as well as from loss due to criminal act or breach of trust.

Employees are responsible for maintaining written records, including expense reports, in sufficient detail to reflect accurately and completely all transactions and expenditures made on MWDOC's behalf. Creating a document with misleading or false information is prohibited.

Motion - 1/17/96;

§7103 CONFLICT OF INTEREST

All MWDOC Directors, officers, and employees at every level shall comply with the requirements of Section 1090 of the California Government Code which prohibits such persons from being financially interested in any contract made by them in their official capacity, or by any body or board of which they are members, or from being a purchaser at any sale or a vendor at any purchase made by them in their official capacity.

All Directors and employees designated under MWDOC's Conflict of Interest Code ("designated employees") and employees required to report under Chapter 7, Article 2 of the Political Reform Act (Government Code Section 7300 et seq.) shall promptly and fully comply with all requirements thereof.

MWDOC employees who are not designated employees under MWDOC's Conflict of Interest Code shall refrain from participating in, making a recommendation, or otherwise attempting to influence MWDOC's selection of a contractor, consultant, product, or source of supply if the non-designated employee, or an immediate family member, has a direct or indirect financial interest in the outcome of the selection process. No employee shall use his/her position with MWDOC in any manner for the purpose of obtaining personal favors, advantages or benefits for him/herself or an immediate family member from a person or entity doing business or seeking to do business with MWDOC. Such favors, advantages, or benefits would include, but are not limited to: 1) offers of employment; 2) free or discounted goods or services; or 3) gifts.

No employee shall accept, directly or indirectly, any compensation, reward or gift from any source except from MWDOC, for any action related to the conduct of MWDOC business, except as set forth below:

1. Acceptance of food and refreshments of nominal value on infrequent occasions in the ordinary course of a breakfast, luncheon or dinner meeting or other meeting or on an inspection tour where the arrangements are consistent with the transaction of official business.*

2. Acceptance of transportation, lodging, meals or refreshments, in connection with attendance at widely attended gatherings sponsored by industrial, technical or professional organizations; or in

connection with attendance at public ceremonies or similar activities financed by nongovernmental sources where the employee's participation on behalf of MWDOC is the result of an invitation addressed to him or her in his/her official capacity, and the transportation, lodging, meals or refreshment accepted is related to, and is in keeping with, his/her official participation.*

3. Acceptance of unsolicited advertising or promotional materials such as pens, pencils, note pads, calendars, or other items of nominal value.*

4. Acceptance of plaques and commemorative mementoes, of nominal value, or of value only to the recipient, such as service pins, recognition awards, retirement mementoes.

5. Acceptance of incidental transportation from a private organization provided it is furnished in connection with an employee's official duties and is of the type customarily provided by the private organization.

* Nothing herein shall be deemed to relieve any Director or designated employee from reporting the value of such meals, transportation, lodging or gifts and abstaining from participation in any decision of MWDOC which could foreseeably have a material financial effect on the donor when the value of such gifts reaches the limits set forth in MWDOC's Conflict of Interest Code and the Political Reform Act.

In no event shall any employee accept gifts from any single source, the cumulative value of which exceeds the applicable gift limit under California law.

A gift or gratuity, the receipt of which is prohibited under this section, shall be returned to the donor. If return is not possible, the gift or gratuity shall be turned over to a public or charitable institution without being claimed as a charitable deduction and a report of such action and the reasons why return was not feasible shall be made on MWDOC records. When possible, the donor also shall be informed of this action.

In any personal political activity an employee may be involved in, it shall be made clear that the employee is acting personally and not for MWDOC.

§7108 IMPROPER ACTIVITIES

Employees shall not interfere with the proper performance of the official duties of others, but are strongly encouraged to fulfill their own moral obligations to the public, MWDOC, and its member agencies by disclosing, to the extent not expressly prohibited by law, improper activities within their knowledge. No employee shall directly or indirectly use or attempt to use the authority or influence of his/her position for the purpose of intimidating, threatening, coercing, commanding, or influencing any person with the intent of interfering with that person's duty to disclose improper activity.

§7109 VIOLATION OF POLICY – STAFF AND STAFF OFFICERS

If an employee is reported to have violated MWDOC's Ethics Policy, the matter shall be referred to the General Manager for investigation and consideration of any appropriate action warranted which may include employment action such as demotion, reduction in salary, or termination.
