

ORANGE COUNTY RESIDENTS' EFFORTS

1.1 MILLION
Water-saving devices installed since 1991.

25% DECREASE
Reduction in average water use per person since 1990.

1.6+ MILLION
Square feet of turf removed - equal to 28 football fields.

923,000 FAMILIES
Since 1991, OC residents have saved enough water to serve 923,000 families for a year.

ORANGE COUNTY WATER AGENCIES' EFFORTS

75% of LOCAL WATER AGENCIES

Have been in mandatory water restrictions since 2009.

\$44 MILLION
Amount of water use efficiency grant funding that water agencies have brought into OC.

LET'S GET SMART ABOUT WATER

720,000 PEOPLE
Increase in OC's population since 1990, but total water use in OC has not increased.

We're planning new reservoirs, ocean desal, and water recycling projects for the future.

MEANWHILE...

The weather is **5 DEGREES HOTTER** than usual.

The rainfall is **7.5 INCHES LESS** than usual.

Since 2013, there are **24,700 JOBS** NEW jobs in OC.
