Request for Proposals (RFP)

For

**Professional Website Redesign and
Ongoing Customer Support Services (mwdoc.com)**

RFP Release Date: October 6, 2016

Requests for Clarification Due: October 14, 2016

Proposals Due: 5:00 p.m. October 31, 2016

I. Project Overview

The Municipal Water District of Orange County (MWDOC) is requesting proposals from experienced vendors to provide professional web design and maintenance services for the agency's website, mwdoc.com. MWDOC requires a vendor who has demonstrated experience in successful website design, development and deployment. Work shall begin immediately following vendor selection.

II. Agency Background and Purpose

MWDOC is a wholesale water supplier and resource planning agency whose efforts focus on sound planning and appropriate investments in water supply development, water use efficiency, public information, legislative advocacy, water education, and emergency preparedness. MWDOC's service area covers all of Orange County, with the exception of the cities of Anaheim, Fullerton, and Santa Ana. MWDOC serves Orange County through 28 retail water agencies.

Local water supplies meet nearly half of Orange County's total water demand. To meet the remaining demand, MWDOC purchases imported water – from northern California and the Colorado River – through The Metropolitan Water District of Southern California (Metropolitan). MWDOC delivers this water to its 28 client agencies. These agencies provide retail water services to the public.

MWDOC is governed by a seven-member Board of Directors. Each director is elected by the public to represent a specific portion of Orange County. MWDOC also appoints four representatives to advocate the interests of Orange County on the Metropolitan Board. MWDOC is the third largest Metropolitan member agency and holds key leadership positions on the Board of Directors that oversee policy development, strategy, and implementation.

MWDOC's website, mwdoc.com, is the District's general information hub for its member agencies, as well as for the public and other community and civic stakeholders. The website hosts an extensive meeting calendar, Board and Committee meeting agendas and packets, current job postings and application forms, active requests for bids and proposals, program descriptions and resources, as well as a catalog of downloadable informational items and more. The website receives approximately 12,000 visits monthly.

III. Project Description

MWDOC is requesting proposals from an experienced vendor that will work with MWDOC staff to redesign its website, incorporate the associated microsites www.ocwatersmart.com and <http://opengov.mwdoc.com> into the primary website, and provide ongoing website maintenance. The budgeted amount for this project is \$50,000.

As part of this work effort, the vendor who is awarded the contract will provide three design concepts for MWDOC staff to review and provide input, leading to a final design and

implementation plan which will be presented to the MWDOC Board of Directors.

A. Key Project Elements:

- Develop a fresh, modern, visually appealing and user-friendly website that continues to house current, necessary content, tools and information, while implementing new website capabilities and features, such as streaming video, social media integration, and a secure member agency access area.
- Microsites www.ocwatersmart.com and <http://opengov.mwdoc.com> must be integrated into the primary website, www.mwdoc.com.
- MWDOC will identify and provide written content required for the website. Some of that content likely exists on the current website, while other content may be new.
- Some existing copy, linked documents and content from the current website will need to be migrated to the new website.
- The website must be optimized for desktop and mobile devices. An open-source content-management system is preferred.
- A fast, efficient internal search function must be incorporated into the new website as well as a detailed plan for Search Engine Optimization (SEO) and mobile optimization.
- MWDOC staff must be able to easily make updates and content changes to the website as needed, with support from the selected vendor if necessary.
- Three mwdoc.com design concepts will be provided to MWDOC staff during the course of the project. Designs must be consistent with the MWDOC brand, logo and color scheme. Each concept developed by the selected vendor, will be refined with MWDOC staff and management input. A final concept with a project implementation timeline will be presented to the MWDOC Board of Directors.
- Following input from the MWDOC Board of Directors, the final concept and timeline will be implemented by the selected vendor with MWDOC staff input and support.
- A training plan for MWDOC staff members must be provided.
- An ongoing maintenance plan must be included in the submitted proposal.

ETHICS POLICY	§7100-§7111
----------------------	--------------------

§7100 PURPOSE

The policy of MWDOC is to maintain the highest standards of ethics from its Board members, officers and employees (all shall be referred to as employees for the purposes of this section). The proper operation of MWDOC requires decisions and policy to be made in the proper manner, that public office not be used for personal gain, and that all individuals associated with MWDOC remain impartial and responsible toward the public. Accordingly, all employees are expected to abide by the highest ethical standards and integrity when dealing on behalf of MWDOC with fellow Board members or employees, vendors, contractors, customers, and other members of the public.

§7101 RESPONSIBILITIES OF BOARD MEMBERS

Board members are obliged to uphold the Constitution of the United States and the Constitution of the State of California and shall comply with all applicable laws regulating Board member conduct, including conflicts of interest and financial disclosure laws. No Board member or officer shall grant any special consideration, treatment, or advantage to any person or group beyond that which is available to every other person or group in the same circumstances.

§7102 PROPER USE OF MWDOC PROPERTY AND RESOURCES

Except as specifically authorized, no employee shall use or remove or permit the use or removal of MWDOC property, including MWDOC vehicles, equipment, telephones, office supplies, and materials for personal convenience or profit. No employee shall require another MWDOC employee to perform services for the personal convenience or profit of another employee. Each employee must protect and properly use any MWDOC asset within his/her control, including information recorded on paper or in electronic form. Employees shall safeguard MWDOC property, equipment, monies, and assets against unauthorized use or removal, as well as from loss due to criminal act or breach of trust.

Employees are responsible for maintaining written records, including expense reports, in sufficient detail to reflect accurately and completely all transactions and expenditures made on MWDOC's behalf. Creating a document with misleading or false information is prohibited.

Motion - 1/17/96;

§7103 CONFLICT OF INTEREST

All MWDOC Directors, officers, and employees at every level shall comply with the requirements of Section 1090 of the California Government Code which prohibits such persons from being

financially interested in any contract made by them in their official capacity, or by any body or board of which they are members, or from being a purchaser at any sale or a vendor at any purchase made by them in their official capacity.

All Directors and employees designated under MWDOC's Conflict of Interest Code ("designated employees") and employees required to report under Chapter 7, Article 2 of the Political Reform Act (Government Code Section 7300 et seq.) shall promptly and fully comply with all requirements thereof.

MWDOC employees who are not designated employees under MWDOC's Conflict of Interest Code shall refrain from participating in, making a recommendation, or otherwise attempting to influence MWDOC's selection of a contractor, consultant, product, or source of supply if the non-designated employee, or an immediate family member, has a direct or indirect financial interest in the outcome of the selection process. No employee shall use his/her position with MWDOC in any manner for the purpose of obtaining personal favors, advantages or benefits for him/herself or an immediate family member from a person or entity doing business or seeking to do business with MWDOC. Such favors, advantages, or benefits would include, but are not limited to: 1) offers of employment; 2) free or discounted goods or services; or 3) gifts.

§7104 GIFTS

No employee shall accept, directly or indirectly, any compensation, reward or gift from any source except from MWDOC, for any action related to the conduct of MWDOC business, except as set forth below:

1. Acceptance of food and refreshments of nominal value on infrequent occasions in the ordinary course of a breakfast, luncheon or dinner meeting or other meeting or on an inspection tour where the arrangements are consistent with the transaction of official business.*
2. Acceptance of transportation, lodging, meals or refreshments, in connection with attendance at widely attended gatherings sponsored by industrial, technical or professional organizations; or in connection with attendance at public ceremonies or similar activities financed by nongovernmental sources where the employee's participation on behalf of MWDOC is the result of an invitation addressed to him or her in his/her official capacity, and the transportation, lodging, meals or refreshment accepted is related to, and is in keeping with, his/her official participation.*
3. Acceptance of unsolicited advertising or promotional materials such as pens, pencils, note pads, calendars, or other items of nominal value.*
4. Acceptance of plaques and commemorative mementoes, of nominal value, or of value only to the recipient, such as service pins, recognition awards, retirement mementoes.
5. Acceptance of incidental transportation from a private organization provided it is furnished in connection with an employee's official duties and is of the type customarily provided by the private organization.

* Nothing herein shall be deemed to relieve any Director or designated employee from reporting the value of such meals, transportation, lodging or gifts and abstaining from participation in any decision of MWDOC which could foreseeably have a material financial effect on the donor when the value of such gifts reaches the limits set forth in MWDOC's Conflict of Interest Code and the Political Reform Act.

In no event shall any employee accept gifts from any single source, the cumulative value of which exceeds the applicable gift limit under California law.

A gift or gratuity, the receipt of which is prohibited under this section, shall be returned to the donor. If return is not possible, the gift or gratuity shall be turned over to a public or charitable institution without being claimed as a charitable deduction and a report of such action and the reasons why return was not feasible shall be made on MWDOC records. When possible, the donor also shall be informed of this action.

§7105 PERSONS OR COMPANIES REPORTING GIFTS

All persons and companies doing business with MWDOC, with the exception of public agencies, shall submit a summary, by January 31 of each calendar year, of all gifts claimed for internal vendor audits (including meals) made to, or on behalf of, employees or Directors of MWDOC, or their immediate family members, that have occurred in the normal course of business during the previous calendar year. Employees are prohibited from using any confidential information for personal advantage or profit.

§7107 POLITICAL ACTIVITIES

Employees are free to endorse, advocate, contribute to, or otherwise support any political party, candidate, or cause they may choose; however, employees are prohibited from soliciting political funds or contributions at MWDOC facilities. In any personal political activity an employee may be involved in, it shall be made clear that the employee is acting personally and not for MWDOC.

§7108 IMPROPER ACTIVITIES

Employees shall not interfere with the proper performance of the official duties of others, but are strongly encouraged to fulfill their own moral obligations to the public, MWDOC, and its member agencies by disclosing, to the extent not expressly prohibited by law, improper activities within their knowledge. No employee shall directly or indirectly use or attempt to use the authority or influence of his/her position for the purpose of intimidating, threatening, coercing, commanding, or influencing any person with the intent of interfering with that person's duty to disclose improper activity.

§7109 VIOLATION OF POLICY – STAFF AND STAFF OFFICERS

If an employee is reported to have violated MWDOC's Ethics Policy, the matter shall be referred to the General Manager for investigation and consideration of any appropriate action warranted which may include employment action such as demotion, reduction in salary, or termination.
