

ADDENDUM NO. 1
QUESTIONS IN RESPONSE TO RFP #AD0517-001

- 1. Can you provide an estimate, on average, of the number of monthly meetings legal counsel would likely attend on behalf of MWDOC involving MET or MWDOC member agencies?**

As page 5 of the RFP indicates, the Board of Directors regularly meets twice per month and attendance by legal counsel is required at both meetings. Attendance at committee or other meetings is described as “on an irregular basis” – a rare occurrence that would most likely only occur three to four times per year.

- 2. Are there any new capital improvement or other projects exceeding \$7.5 Million contemplated for MWDOC in the next 3 years?**

There are no such capital projects contemplated.
