**METROPOLITAN WATER DISTRICT OF
SOUTHERN CALIFORNIA**

The Municipal Water District of Orange County (MWDOC) would like to invite you to join us for a Water Policy Forum & Dinner, Thursday, March 30.

From the worst drought of our lifetimes, to having more water than can be put into storage, it has been a decade of challenges and opportunities for water providers in California. With more uncertainty in the future, Jeffrey Kightlinger, General Manager and Chief Executive Officer of the largest water provider in the nation, The Metropolitan Water District of Southern California (MWD), will discuss drought, pending new state regulations, and what must be done to achieve a sustainable water supply for Southern California in the years ahead.

Join us as we host our first event at this exciting new venue, Great Wolf Lodge in Garden Grove. Those in attendance will also have an opportunity to participate in the conversation with a question-and-answer period.

Registration is available for \$80 per person.* This includes the pre-dinner reception (cash bar), three-course dinner (choice of entrée), and self-parking. Online registration is available through the link at the top of this invitation.

Sincerely,

Wayne S. Osborne
