

## Emergency Services Program & SOC Interconnection from 2006

- Approved in 2006 by MWDOC, OCWD & IRWD, with 25 year term, renewable in 15 year increments
- Allows Emergency Needs to be supplied to SOC, up to 50 cfs for up to 30 days max, not to exceed 3,000 AF
- By 2009 IRWD and SOC Agencies constructed \$25 M in facilities to deliver up to 30 cfs from IRWD Zone 1 to SOC
- IRWD “guarantee” to provide capacity expires in 2030
  - Options with IRWD are being examined
  - MWDOC examining EOCF#2 Pump-in option

## MWDOC Request

- 💧 Examine terms for possible modification
  - 🔧 Extend the capacity provision from 30 days to 60 days to sync up with target policy for meeting emergency needs by SOC agencies
  - 🔧 Determine reasonable compensation
