Airport Overview -  
Sunnier Skies Ahead**

Featuring guest speaker ...

**Rick Francis  
Assistant Airport Director**

Please join us to hear to from Rick Francis, Assistant Airport Director of the John Wayne Airport. Mr. Francis will provide a high-level overview of the airport's operations, including the impacts of, and response to, the COVID-19 pandemic. We will look ahead to exciting new opportunities for airport guests as we envision sunnier skies ahead. You won't want to miss this very informative program!

Our spotlight member this quarter is the Placentia Library District; and meet our newest Associate Member, retired state senator Dick Ackerman, of Ackerman Consulting.

While we are unable to meet for lunch in person, we will still have the same great content. As the meeting time is the same, feel free to enjoy your lunch while

learning from your fellow ISDOC members, and hearing timely updates that affect special districts locally and statewide.

**Once you register, the Zoom login information will be sent via email confirmation.**
