Subject: MWDOC 2020 Urban Water Management Plan Update

The Municipal Water District of Orange County (MWDOC) is in the process of preparing and updating its 2020 Urban Water Management Plan (UWMP) in compliance with the Urban Water Management Planning Act and the Water Conservation Act of 2009, commonly referred to as SBX7-7. An update of MWDOC's UWMP is required every five (5) years.

Water Code section 10621(b) requires an urban water supplier updating its UWMP to notify cities and counties within its service area of the update at least sixty (60) days prior to holding a public hearing. This letter serves as MWDOC's notice that it is preparing and updating its 2020 UWMP, to be adopted and submitted to the California Department of Water Resources before the July 1, 2021 deadline. Additionally, MWDOC will be adopting its Water Shortage Contingency Plan as part of the 2020 UWMP.

MWDOC is also considering an Addendum to the 2015 UWMP to demonstrate consistency with the Delta Plan Policy to Reduce Reliance on the Delta Through Improved Regional Water Self-Reliance (California Code Reg., tit. 23, § 5003). The 2015 UWMP Addendum and a copy of MWDOC's draft 2020 UWMP will be available for review on the MWDOC website (www.mwdoc.com) in spring of 2021, and MWDOC will subsequently hold noticed public hearings on the 2020 UWMP, Water Shortage Contingency Plan, and 2015 UWMP Addendum in advance of their adoption.

MWDOC invites you to submit comments and consult with MWDOC regarding its 2020 UWMP update, Water Shortage Contingency Plan, and 2015 UWMP Addendum. MWDOC anticipates holding a public comment period in spring 2021, with a public hearing planned during that time.

If you have any input for the matters contained in this notice letter, require additional information, or would like to set up a meeting to discuss MWDOC's 2020 UWMP update, please contact me at (714) 593-5027, or by email at hdelatorre@mwdoc.com.

An update of MWD OC's UWMP is required every five (5) years.

This letter serves as MWD OC's notice that it is preparing and updating its 2020 UWMP, to be adopted and submitted to the California Department of Water Resources before the July 1, 2021 deadline. Additionally, MWD OC will be adopting its Water Shortage Contingency Plan as part of the 2020 UWMP.

MWD OC is also considering an Addendum to the 2015 UWMP to demonstrate consistency with the Delta Plan Policy to Reduce Reliance on the Delta Through Improved Regional Water Self-Reliance (California Code Reg., tit. 23, § 5003). The 2015 UWMP Addendum and a copy of MWD OC's draft 2020 UWMP will be available for review on the MWD OC website (www.mwdoc.com) in spring of 2021, and MWD OC will subsequently hold noticed public hearings on the 2020 UWMP, Water Shortage Contingency Plan, and 2015 UWMP Addendum in advance of their adoption.

MWD OC invites you to submit comments and consult with MWD OC regarding its 2020 UWMP update, Water Shortage Contingency Plan, and 2015 UWMP Addendum. MWD OC anticipates holding a public comment period in spring 2021, with a public hearing planned during that time.
