

2021 WATER POLICY

— *Forum & Dinner* —

Speaker Series: **Southern California**

Please Join Us!

Featured Speaker

ADEL HAGEKHALIL

General Manager and Chief Executive Officer
The Metropolitan Water District of Southern California

Climate change, water quality, and aging infrastructure are just a few of the critical challenges Southern California water suppliers face. Through collaborative planning and smart investments, The Metropolitan Water District of Southern California (Metropolitan) has dedicated its mission to ensure that more than 19 million people have a safe, clean, and reliable water supply. Now, with new leadership at the helm of the nation's largest wholesale water agency, Southern Californians are being asked to brace for another threat to our water supplies—extreme drought.

Please join us on Thursday, September 30, 2021, for a very special MWDOC Water Policy Forum & Dinner, as we welcome keynote speaker Adel Hagekhalil, Metropolitan General Manager and Chief Executive Officer. Hagekhalil will discuss his vision to pursue a unified agenda among regional water providers building on conservation and investments in local water supplies, recycled water, and stormwater capture to ensure long-term water reliability for all of Southern California.

Registration is available for \$90 per person* or \$850 for a table of 8. This price includes the pre-dinner reception (cash bar), three-course dinner (choice of entree), and self-parking.

We look forward to seeing you there!

Sincerely,

Sat Tamaribuchi
Board President
Municipal Water District of Orange County
