CALLING <u>ALL</u> ORANGE COUNTY ELEMENTARY SCHOOL TEACHERS!

Free Water Education Program For Grades 3-5

Offered by the Municipal Water District of Orange County and participating Orange County water providers.

All programs are offered either in-person or virtually and support California content standards and curriculum frameworks. Through interactive, gradespecific sessions, students engage in valuable instruction on the history of California water, local climate and water sources, and using water efficiently.

✓ Includes hands-on activities that explore how a reliable source of water is important to every community.

Session Topics:

- ★ 3rd Grade: Compare and describe diverse weather and climate data and explore personal. choices to protect our local water resources
- **4th Grade:** Identify the key role water plays in California's history including the growth and expansion of towns and cities.
- **5th Grade:** Examine existing water management solutions and determine ways to protect the quality and quantity of water.
