Forum & Dinner

Honoring a Legacy

Panel Moderator

ADÁN ORTEGA

Chair, The Metropolitan Water District
of Southern California Board of Directors

You are cordially invited to attend a very special Water Policy Forum & Dinner hosted by the Municipal Water District of Orange County (MWD OC). Please join us on Thursday, February 9, to honor the legacy of MWD OC's beloved General Manager, Rob Hunter, who recently lost his gallant and courageous fight with cancer.

Adán Ortega, newly elected chair of the Metropolitan Water District of Southern California (Metropolitan), will lead a panel of Southern California water industry leaders in a discussion about water policy and supply issues that Rob himself would have enjoyed. Complex topics like climate change, water scarcity, and the Delta Conveyance inspired and challenged Rob's work as MWD OC's General Manager for nearly a decade—important work that he loved and had been dedicated to for most of his career.

Registration is available for \$90 per person* or \$850 for a table of 8. This price includes the pre-dinner reception (cash bar), three-course dinner (choice of entrée), and self-parking.

We know there are many fond memories and stories to share about Rob. In the interest of time and for posterity, please send them to PublicAffairs@mwdoc.com. MWD OC staff will collect and package those commemorations and share them with Rob's family in the days following this event.

Sincerely,

Megan Yoo Schneider, MS PE
President
Municipal Water District of Orange County
