SECTION 1 – PROJECT SUMMARY

1.1 About the District

The Municipal Water District of Orange County (MWDOC or District) is an independent special district formed in 1951 under the Municipal Water District Act of 1911. MWDOC is a wholesale water supplier and resource planning agency. Our efforts focus on sound planning and appropriate investments in water supply development, water use efficiency, public information, legislative advocacy, water education and emergency operations. MWDOC serves nearly 3.2 million Orange County residents through 27 member agencies. MWDOC’s service area covers all of Orange County except for the cities of Anaheim, Fullerton, and Santa Ana.

Local water supplies meet nearly half of Orange County’s total water demand. To meet the remaining demand, MWDOC purchases imported water from northern California and the Colorado River through the Metropolitan Water District of Southern California (MWD). MWDOC delivers this water to its 27 member agencies, and 26 of these agencies provide retail water services to the public.

The Municipal Water District of Orange County’s Board of Directors consists of seven officials who are elected by and represent seven divisions within Orange County. The members of the Board of Directors serve four-year terms. MWDOC also appoints four people to represent MWDOC on the MWD Board. MWDOC is the third largest MWD member agency and holds key leadership positions on the MWD Board of Directors that oversee policy development, strategy, and implementation.

MWDOC is committed to providing a reliable supply of high-quality water for Orange County. Working closely with MWD and our member agencies. Our team looks for opportunities to improve Orange County’s water resources and reliability. Representation of our member agencies at MWD is one of our most important jobs. By integrating local planning challenges and regional stakeholder partnerships, MWDOC maximizes water system reliability and overall system efficiencies. We work to expand Orange County’s water supply portfolio by providing sound planning and local resource development in the areas of recycled water, groundwater, ocean water, water use efficiency, and the Water Emergency Response of Orange County (WEROC). Providing our member agencies with value-added services that include regional planning and studies, advocate for Member Agencies at Metropolitan, management and implementation of Demand Management Programs (Long Range Planning & Water Use Efficiency), administer Emergency Preparedness, coordination of Mutual Aid (WEROC), administer Countywide shared services, facilitate regional education, water awareness and outreach coordination, administer choice program services (School Programs, Water Use Efficiency, Leak Detection, Studies), mapping, urban water management planning, rate structure development, and water shortage mitigation plans.

1.2 Project Objective

The MWDOC is soliciting proposals from qualified executive search firms interested in serving as Consultant to the Board of Directors in the recruitment and hiring of the District's General Manager position.

The Board appointed the District's Assistant General Manager, Mr. Harvey De La Torre, as Interim General Manager as of January 1, 2023. Mr. De La Torre has been with the District since 2008 and was promoted to Assistant General Manager in 2020. The previous General Manager, Mr. Robert Hunter, was selected after a nation-wide search was conducted. He was employed with the District for nine years and held the position of General Manager, until his passing in January 2023.

In the current reporting structure, the Assistant General Manager, Governmental Affairs Manager, Director of Water Use Efficiency, Director of Engineering/District Engineer, Accounting Manager, Director of Human Resources and Administration, Director of Public Affairs, and Director of Emergency Management, report directly to the General Manager position as the executive management team.

The Board has oversight of the District and appoints the General Manager to handle day-to-day operations. The General Manager reports directly to the Board. The Board has the power to set rates and establish ordinances and policies. The MWDOC Board of Directors chair and participate on standing committees and are also appointed as District representatives to the Boards of key agencies and commissions in the region.

The General Manager is a full-time, at-will position, accountable to the MWDOC Board of Directors And responsible for the development, implementation, and enforcement of all District policies, procedures, and ordinances, the oversight of all financial, legal, and regulatory activities, and the effective performance of the District's major functional areas, including but not limited to MWD Representation, Public Affairs, Governmental Affairs, Emergency Management, Water Use Efficiency, Water Loss Control, Water Resources Planning, Finance and Information Systems, and Human Resources and Administration.

The General Manager position requires a strong knowledge of the water industry, key stakeholder groups, current social, political, and economic trends, and operating problems of water districts in California. In addition, the selected candidate for the position shall possess the characteristics of a strong and proven leader and a person of integrity. It is the District's goal that its General Manager will have the ability to provide resonant leadership and vision to the organization; develop a collaborative working relationship with the Board, staff, member agencies and all other stakeholders and agencies; and work with the Board and the District's management team to set both short- and long-term goals, set priorities, and deliver on those objectives.

The total number of employees currently stands at 37 full-time and 7 part-time personnel.

SECTION 2 – PROJECT EXPECTATIONS

2.1 Anticipated Scope of Work

The District's goal is to select an Executive Search Firm to attract a diverse field of qualified candidates from a nation-wide pool and manage the selection process through the final selection of a candidate to fill the General Manager position. The Board of Directors would like to engage an executive search firm to initiate an aggressive marketing approach. The selected firm will work with the Board of Directors, Ad-Hoc Committee, Director of Human Resources, staff, and others as identified by the Board of Directors, to define qualification and selection criteria, then create and implement a comprehensive marketing approach to find the right candidate.

2.2 Anticipated Work Plan

The consultant will work with an Ad-Hoc Committee, Board of Directors, and Human Resources to recruit a successful candidate.

Recently, the District completed a series of facilitated discussions and interviews with member agency elected officials and staff members. These activities were part of a long-term effort to continue to build trust and a more collaborative working relationship with the diverse member agency stakeholders. To build on these efforts, the selected Executive Search Firm will be requested to work with the facilitator, Mr. Paul Brown, to prepare and conduct a series of interviews and/or surveys with the Board of Directors, staff, and member agency stakeholders to provide input on the desired qualities and skills of the General Manager.

Mr. Brown also recently facilitated the Board's strategic planning sessions, which covered the District's mission and goals, and the selected Executive Search Firm should coordinate with Mr. Brown and the Board of Directors to determine the District's mission, goals, and vision for the future.

The anticipated work plan for the consultant should include the following activities:

- **Needs Assessment.** Using the District's job description and meetings with seven Board of Directors and members of management staff, member agencies, and others as identified by the Ad-Hoc Committee, (approximately 10 meetings) the Consultant will work with the facilitator, Mr. Paul Brown, to determine:
 - Required set of skills and competencies
 - Qualification criteria
 - Position expectations
 - The District's mission, goals, and vision for the future
 - Any other necessary information to assist in developing a candidate profile for the General Manager's position.
- **Development of Marketing Plan.** Based on the Needs Assessment performed above, the Consultant will prepare a recruitment brochure that outlines the required skills, competencies, position and responsibilities, and criteria for job success. Consultant shall provide the brochure to the District for review and approval. Develop an expedited, cost-effective recruitment and selection work plan based on the principles of Equal

Employment Opportunity to ensure the identification of the most outstanding candidates available for the position.

Consultant shall develop an action plan for accomplishing major steps in the search process and provide to the District for its review and approval.

- **Active Recruitment.** The consultant will perform nationwide outreach and marketing to attract a diverse field of qualified candidates and screen the candidates to present to the District's Ad-Hoc Committee, the Board, and Human Resources for further consideration.
- **Candidate Selection.** Work with the Ad-Hoc Committee, Board, and Human Resources to develop structured interview questions and a rating rubric system. The consultant will facilitate initial interviews with the Ad-Hoc Committee and final interviews with the Board of Directors and coordinate interview appointments with candidates. Conduct reference checks on the top candidates.
- **Report Submissions.** Consultant shall provide progress reports to the Board at critical points in the recruitment process or as issues arise. Reports shall describe the Consultant's progress in meeting the goals of Scope of Services and issues. Consultant may not communicate with a quorum of the Board outside of noticed meetings, which may include closed sessions and "serial meetings."

The selected Consultant is expected to stay in close contact with the Board and Director of Human Resources concerning all aspects of the search process.

- **Assist in Contract Negotiations with the Selected Candidate.** Consultant, in conjunction with the Board, legal counsel, and Human Resources, will conduct a detailed background investigation of the selected candidate and assist in negotiating on behalf of the District the final compensation and terms of the employment agreement.

- c. Any and all losses, expenses, damages (including damages to the work itself), attorney's fees incurred by counsel of the **DISTRICT's** choice and other costs, including all costs of defense, which any of them may incur with respect to the failure, neglect, or refusal of **CONSULTANT** to faithfully perform the work and all of the **CONSULTANT's** obligations under the agreement. Such costs, expenses, and damages shall include all costs, including attorneys' fees, incurred by counsel of the **DISTRICT's** choice, incurred by the indemnified parties in any lawsuit to which they are a party.

This policy applies to all employees, consultants, and contractors of the **DISTRICT**. ETHICS POLICY	§7100-§7110
---------------	-------------

§7100 PURPOSE

The policy of MWDOC is to maintain the highest standards of ethics from its Board members, officers, and employees (all shall be referred to as employees for the purposes of this section). The proper operation of MWDOC requires decisions and policy to be made in the proper manner, that public office not be used for personal gain, and that all individuals associated with MWDOC remain impartial and responsible toward the public. Accordingly, all employees are expected to abide by the highest ethical standards and integrity when dealing on behalf of MWDOC with fellow Board members or employees, vendors, contractors, customers, and other members of the public.

§7101 RESPONSIBILITIES OF BOARD MEMBERS

Board members are obliged to uphold the Constitution of the United States and the Constitution of the State of California and shall comply with all applicable laws regulating Board member conduct, including conflicts of interest and financial disclosure laws. No Board member or officer shall grant any special consideration, treatment, or advantage to any person or group beyond that which is available to every other person or group in the same circumstances.

§7102 PROPER USE OF MWDOC PROPERTY AND RESOURCES

Except as specifically authorized, no employee shall use or remove or permit the use or removal of MWDOC property, including MWDOC vehicles, equipment, telephones, office supplies, and materials for personal convenience or profit. No employee shall require another MWDOC employee to perform services for the personal convenience or profit of another employee. Each employee must protect and properly use any MWDOC asset within his/her control, including information recorded on paper or in electronic form. Employees shall safeguard MWDOC property, equipment, monies, and assets against unauthorized use or removal, as well as from loss due to criminal act or breach of trust.

Employees are responsible for maintaining written records, including expense reports, in sufficient detail to reflect accurately and completely all transactions and expenditures made on MWDOC's behalf. Creating a document with misleading false information is prohibited.

Motion - 1/17/96;

§7103 CONFLICT OF INTEREST

All MWDOC Directors, officers, and employees at every level shall comply with the requirements of Section 1090 of the California Government Code which prohibits such persons from being financially interested in any contract made by them in their official capacity,

or by any body or board of which they are members, or from being a purchaser at any sale or a vendor at any purchase made by them in their official capacity.

All Directors and employees designated under MWDOC's Conflict of Interest Code ("designated employees"), and employees required to report under Chapter 7, Article 2 of the Political Reform Act (Government Code Section 7300 et seq.) shall promptly and fully comply with all requirements thereof.

MWDOC employees who are not designated employees under MWDOC's Conflict of Interest Code shall refrain from participating in, making a recommendation, or otherwise attempting to influence MWDOC's selection of a contractor, consultant, product, or source of supply if the non-designated employee, or an immediate family member, has a direct or indirect financial interest in the outcome of the selection process. No employee shall use his/her position with MWDOC in any manner for the purpose of obtaining personal favors, advantages or benefits for him/herself or an immediate family member from a person or entity doing business or seeking to do business with MWDOC. Such favors, advantages, or benefits would include, but are not limited to: 1) offers of employment; 2) free or discounted goods or services; or 3) gifts.

§7104 GIFTS

1. Acceptance of food and refreshments of nominal value on infrequent occasions in the ordinary course of a breakfast, luncheon or dinner meeting or other meeting or on an inspection tour where the arrangements are consistent with the transaction of official business. *
2. Acceptance of transportation, lodging, meals or refreshments, in connection with attendance at widely attended gatherings sponsored by industrial, technical or professional organizations; or in connection with attendance at public ceremonies or similar activities financed by nongovernmental sources where the employee's participation on behalf of MWDOC is the result of an invitation addressed to him or her in his/her official capacity, and the transportation, lodging, meals or refreshment accepted is related to, and is in keeping with, his/her official participation.*
3. Acceptance of unsolicited advertising or promotional materials such as pens, pencils, notepads, calendars, or other items of nominal value. *
4. Acceptance of plaques and commemorative mementoes, of nominal value, or of value only to the recipient, such as service pins, recognition awards, retirement mementoes.
5. Acceptance of incidental transportation from a private organization, provided it is furnished in connection with an employee's official duties and is of the type customarily provided by the private organization.

* Nothing herein shall be deemed to relieve any Director or designated employee from reporting the value of such meals, transportation, lodging, or gifts and abstaining from participation in any decision of MWDOC which could foreseeably have a material financial effect on the donor when the value of such gifts reaches the limits set forth in MWDOC's Conflict of Interest Code and the Political Reform Act.

In no event shall any employee accept gifts from any single source, the cumulative value of

which exceeds the applicable gift limit under California law.

A gift or gratuity, the receipt of which is prohibited under this section, shall be returned to the donor. If return is not possible, the gift or gratuity shall be turned over to a public or charitable institution without being claimed as a charitable deduction and a report of such action, and the reasons why return was not feasible shall be made on MWDOC records. When possible, the donor also shall be informed of this action.

Motion - 1/17/96;

§7105 PERSONS OR COMPANIES REPORTING GIFTS

All persons and companies doing business with MWDOC, with the exception of public agencies, shall submit a summary, by January 31 of each calendar year, of all gifts claimed for internal vendor audits (including meals) made to, or on behalf of, employees or Directors of MWDOC, or their immediate family members, that have occurred in the normal course of business during the previous calendar year. Employees are prohibited from using any confidential information for personal advantage or profit.

§7107 POLITICAL ACTIVITIES

Employees are otherwise free to personally, endorse, advocate, contribute to, or otherwise support any political party, candidate, or cause they may choose; however, employees are prohibited from soliciting political funds or contributions at MWDOC facilities or during the course and scope of their duties for MWDOC. In any personal political activity, an employee may be involved in, it shall be made clear that the employee is acting personally and not for MWDOC. These provisions are intended to protect employees against political assessments, coerced political activities, and to prevent political activities on the part of employees from interfering with MWDOC operations. Nothing in this section shall be interpreted or applied in a manner to unlawfully curtail the constitutional right to political activity of MWDOC employees.

Motion – 6/17/15

§7108 IMPROPER ACTIVITIES

Employees shall not interfere with the proper performance of the official duties of others but are strongly encouraged to fulfill their own moral obligations to the public, MWDOC, and its member agencies by disclosing, to the extent not expressly prohibited by law, improper activities within their knowledge. No employee shall directly or indirectly use or attempt to use the authority or influence of his/her position for the purpose of intimidating, threatening, coercing, commanding, or influencing any person with the intent of interfering with that person's duty to disclose improper activity.

The Executive Committee may make a determination and present the issue to the full Board.

Motion - 1/17/96; 6/17/15

§7110 VIOLATION OF POLICY -- DIRECTORS

A perceived violation of this policy by a Director should be referred to the President of the Board or the full Board of Directors for investigation, and consideration of any appropriate action warranted. A violation of this policy may be addressed by the use of such remedies as are available by law to MWDOC, including, but not limited to: (a) adoption of a resolution expressing disapproval of the conduct of the Director who has violated this policy, (b) injunctive relief, or (c) referral of the violation to MWDOC Legal Counsel and/or the Grand Jury.

§7111 PERIODIC REVIEW OF ETHICS, CONFLICT OF INTEREST AND ADMINISTRATIVE GUIDELINES
