ARTICLE 2 ORGANIZATION AND BOUNDARIES

Formation of the District - The Municipal Water District of Orange County was formed under the Municipal Water District Act of 1911 on January 11, 1951, by public election and was annexed to the Metropolitan Water District of Southern California (MET) on November 23, 1951. The District was then called the Orange County Municipal Water District. The Orange County Municipal Water District was changed to Municipal Water District of Orange County (MWDOC) on September 7, 1969. MWDOC consolidated with Coastal Municipal Water District, effective January 17, 2001, expanding its service area to include the Coastal Municipal Water District agencies. The expanded District remained Municipal Water District of Orange County.

The District was formed for the purpose of securing annexation to MET to obtain deliveries of imported water for portions of Orange County outside of the then-existing cities of Anaheim, Fullerton, Santa Ana and the area served by Coastal Municipal Water District which were at that time part of MET.

The organization of the Board as required by the Municipal Water District Act of 1911, establishing the offices of the Board, the time and place of meeting, procedures for notification of meetings and the rules for conduct, Roberts Rules of Order, were adopted at the first meeting of the Board on May 25, 1951.

Functions and Powers – MWDOC is a Municipal Water District, subject to the provisions of the Municipal Water District Law of 1911. Under the Law, MWDOC has the power to:

1. Acquire, control, distribute, store, spread, sink, treat, purify, reclaim, recapture and salvage any water, including sewage and storm water, and undertake water conservation programs, for the beneficial use(s) of MWDOC, its inhabitants, or the owners of rights to water in MWDOC.
2. Sell or otherwise dispose of potable and nonpotable water under its control, to any persons, public corporations or agencies or other consumers for use within or outside MWDOC's service area, and fix rates therefore.

Functions and Powers (Cont'd)

3. Acquire, construct, maintain and operate conduits, pipelines, reservoirs, water works, and other property useful or necessary to store, convey, supply or otherwise make use of water for a water works plant or system for the benefit of MWDOC.
4. Acquire real and personal property of every kind by grant, purchase, gift, devise or lease; exercise the right of eminent domain; and, hold, use, enjoy, lease or dispose of real and personal property.
5. Contract with other public agencies, private corporations or other persons for the purpose of carrying out any of the powers of MWDOC or to finance acquisitions, construction and operations.
6. Restrict the use of water during any emergency caused by drought, or threatened or existing water shortage, and prohibit the wastage of MWDOC water.
7. Disseminate information concerning the rights, properties and activities of the District.
8. Exercise all powers which are expressly granted to municipal water districts, or which are necessarily implied.

Mission - Taking into consideration the reasons the District was formed, its legal powers and its current and projected operations, as well the District's role in county-wide leadership and resource management, the Board of Directors has established that the overall mission of the District is to provide reliable, high-quality supplies from MWD and other sources to meet present and future needs, at an equitable and economical cost, and to promote water use efficiency for all of Orange County.

M-10/20/10; M-6/17/15

Service Area - The original boundaries of the MWDOC were structured in 1951 when MWDOC was formed and have been changed numerous times by annexation and by reorganization. The annexations took place between 1957 and 1983. All annexations to the District have been accomplished by resolutions of the Board of Directors, in accordance with provisions of the California Government Code. The boundaries were expanded in January 2001 (upon the consolidation with Coastal Municipal Water District) to include that portion of the County previously served by Coastal Municipal Water District.

District Annexation to MET - The District was annexed to MET on November 23, 1951, and the Certificate of Proceedings was filed with the Secretary of State on November 26, 1951.

Division Boundaries - The District consists of seven political divisions, each represented by a Director elected by the voters of the division, generally comprised as follows:

Division 1: Cities of Brea, Buena Park and La Habra, the City of La Palma Water Division, a portion of the Golden State Water Company service area, and Yorba Linda Water District.

Division 2: Serrano Water District, City of Orange Water Services, a portion of the City of Garden Grove, a portion of City of Tustin Water Services, a portion of East Orange County Water District, a portion of Irvine Ranch Water District, and a portion of Golden State Water Company service area.

Division 3: Cities of Fountain Valley and Westminster, a portion of the City of Garden Grove, and a portion of the Golden State Water Company service area.

Division 4: Cities of Huntington Beach and Seal Beach, Mesa Water District, and a portion of Irvine Ranch Water District.

Division 5: City of Newport Beach Water Services, El Toro Water District, a portion of Irvine Ranch Water District, and a portion of Moulton Niguel Water District.

Division 6: City of Tustin Water Services, Trabuco Canyon Water District, a portion of East Orange County Water District, a portion of Irvine Ranch Water District, and a portion of Golden State Water Company service area.

Division 7: City of San Clemente, Emerald Bay Service District, Laguna Beach County Water District, Santa Margarita Water District, South Coast Water District, and a portion of Moulton Niguel Water District.

It is the general policy of the Board to evaluate the division boundaries in coordination with the census data (every ten years) and to best maintain the District's "Community of Interest" as the member agency service areas (water providers as the primary guideline and keeping cities intact as to the greatest extent practicable).

The official map of the division Boundaries is filed with the Orange County Registrar of Voters every election year.

The successor shall be a registered voter and a resident of the relocated division.

Vacancy in Office of Director - If a vacancy occurs in the office of Director, the remaining Directors shall, within 60 days, appoint a qualified person residing in the division in which the vacancy occurs to hold the office until the next District general election which is 130 days or more after the occurrence of the vacancy or call a special election to be held in the division affected as provided for by law.

If the Board of Directors fails to fill a vacancy or call an election within 60 days, the Board of Supervisors may fill the vacancy or call an election to fill the vacancy. If the Board of Supervisors fails to fill the vacancy or call an election within 90 days of the office becoming vacant, the District shall call an election on the next available election date that is 130 or more days after the vacancy occurs.

Persons appointed to fill a vacancy shall hold office until the next District general election and thereafter until the person elected at such election to fill the vacancy has been qualified. Persons elected to fill a vacancy shall hold office for the unexpired balance of the term of office.

CA Water Code 71254; Gov. Code 1780

Oath of Office - Newly elected or re-elected members of the Board shall take the Oath of Office prior to noon on the first Friday in December following the election. BOARD OBJECTIVES	§1000-1002
-------------------------	-------------------

1000 PURPOSE/MISSION

The primary mission of MWDOC is to provide reliable, high-quality water supplies from MET and other sources, to meet present and future needs, at an equitable and economical cost, and to promote water use efficiency for all of Orange County. The Board and staff will be guided by a Strategic Plan, Business Plan, Personnel Manual, and Investment Policy, all of which shall be adopted and reviewed by the Board on a periodic basis.

M-10/19/10

1001 THE ROLE OF THE BOARD OF DIRECTORS

As MWDOC's legislative body, the Board of Directors is responsible for providing policy-based leadership and strategic governance for the management of MWDOC's organization and operations. Though day-to-day operations are the responsibility of the General Manager, the appropriate level of involvement by Board members pursuant to this Code is critical to MWDOC's leadership. Board Member responsibilities include:

- i. Providing guidance to the General Manager in the management of the District.
- ii. Reviewing outcomes and metrics of MWDOC operations, programs, policies, and initiatives.
- iii. Reviewing agenda and supporting materials prior to board and committee meetings.
- iv. Approving MWDOC's annual budget, audit reports, and material business decisions.
- v. Staying informed of, and meeting all, legal and fiduciary responsibilities.
- vi. Contributing to an annual performance evaluation of the General Manager and Legal Counsel.
- vii. Partnering with the General Manager and other board members to ensure that board ordinances, resolutions, and directives are carried out.
- viii. Serving on committees and taking on special assignments.
- ix. Serving as a representative of MWDOC to stakeholders and external organizations.

M-6/17/15

As public officials, MWDOC Board members have fiduciary duties to both MWDOC as an organization and the public at large. The Board recognizes its duty to comply with the law and to model ethical and civil behavior for MWDOC's customers, staff, vendors, and the public, as provided in Chapter 7 of this Code and other applicable laws.

A. Duties to MWDOC

As members of MWDOC's governing board, Board members must always act for the good of the MWDOC as an institution, rather than for the benefit of themselves or other special interests. Board members must exercise reasonable care in all decision making, without placing the organization under unnecessary risk. Pursuant to these duties, Board members shall be obligated to conduct themselves as follows:

- (a) Limit official actions to the scope of MWDOC's purpose and authority.
- (b) Stay informed about MWDOC's purpose, finances, services, policies, and programs.
- (c) Render decisions in good faith, without allowing personal or special interests to prevail over the institutional interests of MWDOC.
- (d) Prepare for meetings by reviewing agenda items, contacting appropriate staff through the General Manager, and providing adequate notice of issues that staff should be prepared to address.
- (e) Preserve the financial solvency of MWDOC and its ability to serve member agencies, customers, and the general public for the long term.
- (f) Ensure that use of MWDOC equipment, supplies, staff time, telephones, computers, and fax machines is limited to official purposes, consistent with District policies, the Fair Political Practices Commission Regulations, and State law.

B. Duties to the Public

As stewards of the public trust, Board members must also place the interests of the public above their own personal interests. A public official must exercise the powers conferred on him or her with disinterested skill, zeal, and diligence, and primarily for the benefit of the public. The minimum standards of conduct are set forth in the conflict of interest provisions of California Law, including Government Code section 1090, the Political Reform Act, and common law, which are discussed further in Chapter 7 of this Code. Pursuant to these duties, Board members shall be obligated to conduct themselves as follows:

- (a) Protect confidential information received during any Closed Session of the District Board held pursuant to State law.

(b) Refrain from discussions that are not properly noticed pursuant to State law.

(c) Provide impartial and fair treatment of all persons and matters coming before the Board.

(d) Safeguard ability to make independent, objective, fair and impartial judgments by scrupulously avoiding financial and social relationships and transactions that may compromise, or give the appearance of compromising, objectivity, independence, and honesty.

MWDOC MET DIRECTORS	§1500-§1505
----------------------------	--------------------

MWDOC appoints Directors to the Board of Directors of Metropolitan Water District of Southern California (MET). These Directors are appointed to serve at the pleasure of the Board. MWDOC/MET Directors' workshop meetings are held monthly to encourage exchange of ideas and information between the MWDOC Board and the MET Directors. Generally, the MWDOC Board avoids giving explicit direction on voting to the MET Directors, but may do so at any time.

§1500 APPOINTMENT OF MET DIRECTORS

A. APPOINTMENT PROCESS

The President of the MWDOC Board, with the consent and approval of the Board, shall appoint MET Directors to serve at the pleasure of the Board.

1. REVIEW OF CANDIDATES

The President of the Board will receive names and qualifications of proposed candidates submitted by MWDOC Directors for two (2) of the four (4) seats retained by the MWDOC Board. In addition, for the other two (2) seats, the President of the Board shall request the Member Agencies to nominate in writing a candidate or candidates of their choosing. The request for nominations shall alternate between the North County agencies and the South County agencies, in the absence of agreement to some other process. The nomination by the Member Agencies shall be determined by "one agency, one vote" process. Once filled, the seats will be designated as the "South County Seat" and the "North County Seat" and the nomination for the designated seat shall be from that region.

2. SELECTION

To assist in the selection of a candidate, the President of the Board may appoint a Special Committee of the Board to interview and/or discuss the list of potential candidates. The Committee shall submit its recommendation to the President and the Board. The MWDOC Board shall retain a minimum of two (2) of the four (4) available MWDOC seats on the MET Board.

3. TERM OF OFFICE

The MWDOC Board shall appoint its MET Directors to serve at the pleasure of the Board.

B. QUALIFICATION OF CANDIDATES

The following guidelines shall be used to evaluate the qualifications of MET Director candidates:

1. AREA OF REPRESENTATION

MET emphasizes that MET Directors are required to consider problems and issues from the standpoint of their Metropolitan responsibility (i.e., a Southern California regional perspective). In addition, MWDOC requires that the candidate(s) shall represent the interests of the entire MWDOC service area in carrying out the responsibilities of a MET Director. While the candidate(s) will be nominated from a specific geographical area of Orange County, the Director must represent the interest of the entire MWDOC and MET service areas.

2. MEETING ATTENDANCE

The candidate shall be able to regularly attend the meetings related to the duties of being a MET Director and is expected to allot adequate time to prepare for and participate in the activities associated with the position. If a candidate is employed, the candidate must submit evidence of approval from his employer that the time commitments are allowed.

3. LEADERSHIP AND ACTIVITIES

The candidate should plan to participate actively in the affairs of MET, representing the interest of MWDOC. The candidate shall have a broad base of acquaintanceship and support within Orange County, as the candidate needs to be able to call upon supporting groups who have knowledge of subject matter on a broader regional and/or national basis. The candidate's field of expertise should be an avenue for seeking support of experts in those special areas when the endeavor is within the MWDOC and MET framework. The candidate is expected to be an active, credible representative of MWDOC.

4. RESIDENCE

The candidate shall be a resident of Orange County and must reside within the MWDOC service area.

5. INCOMPATIBILITY OF OFFICE

It is the position of the MWDOC Board of Directors that the candidate they approve and appoint as a MET Director must correct potential incompatible office conditions prior to assuming the MET Director role. Such conditions would include the public offices of Director, City Council Member, or Mayor of one of the MWDOC Member Agencies. Incompatibility also would apply to City Managers and General Managers as principal executive officers of member agencies. Candidates would not need to resign the incompatible office to be nominated or

tentatively selected as a MET Director. However, the candidate would need to resign the incompatible office, as defined by the MWDOC Board, with an effective date prior to being sworn in as a MET Director.

A MWDOC/MET Director desiring to seek any elected office of the MET board shall first obtain concurrence of the MWDOC Board.

MET Directors shall submit a Compensation Voucher complying with the submittal timelines described under Section 2206. The Compensation Vouchers shall be approved by the MWDOC Board President. In the absence of the MWDOC Board President, any member of the MWDOC Executive Committee or Administration & Finance Committee may approve the Compensation Vouchers. The maximum number of days for which a MET Director may receive compensation shall not exceed 10 in any calendar month in addition to any days for which the MET Director may be compensated as a MWDOC Director.

§1503 MET DIRECTOR LEAVING STATE

MET Directors shall notify the Secretary of the Board of their request to be absent from the State for 60 days or more, at least 7 days prior to the meeting of the Board, when possible. The Secretary shall place the request on the Consent Calendar of the agenda of the Board for its consideration. In the event there is insufficient time for the MET Director to provide said request or there is insufficient time to agendize said request prior to the departure of the MET Director, the Secretary shall notify the President and Vice President and agendize the matter for consideration by the Board as soon as possible.

MET Directors should notify the Secretary of expected absences from the State of less than 60 days at least 3 days prior to departure when possible.

M-9/21/09

§1505 LEAVE OF ABSENCE FOR MET DIRECTORS

For good cause, the MWDOC Board may authorize a leave of absence for a MWDOC MET Director of up to 90 days. Such an approval must be obtained prior to requesting a leave of absence from the MET Board.

M-9/21/09

§ 1506 MWDOC MET DIRECTOR DELEGATION PROTOCOL

The Leader of the MWDOC MET delegation, who is designated to speak on behalf of the MWDOC MET delegation and coordinate votes at MET, will be the elected MWDOC Director on the MET Board with the most seniority at MET. Should another member of the MWDOC MET delegation be elected as Chairman of the MET Board, they shall assume the position as Leader of the MWDOC MET delegation.

The Leader of the MWDOC MET delegation is responsible for preserving the decorum of the delegation at MET, and shall chair the MWDOC MET delegation Caucus meetings, and all other meetings prior to MET's monthly board and committee meetings. DISTRICT AND INDIVIDUAL MEMBERSHIPS	§1700
--	--------------

§1700 GENERAL POLICY

MWDOC has identified the need for directors and staff to be involved with other associations to disseminate and acquire information, participate in forums which could lead to consensus building, and gain the support for and understanding of existing and future water supply needs as well as to represent MWDOC's financial interests.

During the annual Budget process, the Board reviews and approves all District memberships and sponsorships.

Individual memberships in the Colorado River Water Users Association (CRWUA) are authorized for members of the MWDOC Board who will be attending conferences and staff as authorized by the General Manager. Individual memberships in the Orange County Water Association (OCWA) are authorized for members of the MWDOC Board and staff as authorized by the General Manager. At such time that an individual membership exceeds \$500, the matter of renewal would be submitted to the Administration & Finance Committee for consideration.

Due to the varying degrees of commitment, in terms of time and related costs, necessary for active participation in these associations, it is recommended a formal process for appointments to association boards and committees be implemented. In February of each year, the Board President (with ratification by the Board) shall make appointments for participation in the various associations that the District belongs. Upon approval of these appointments, the District Secretary shall prepare and post on the District's website, Fair Political Practices Commission (FPPC) Form 806 outlining all Director appointments. This form is used to report additional compensation that officials receive when appointing themselves to positions on committees, boards, or commissions of another public agency or to a committee or position of the agency of which the public official is a member. This form is required pursuant to FPPC Regulation 18705.5. Each agency must post on its website a single Form 806 which lists all the paid appointed positions to which an official will vote to appoint themselves. When there is a change in compensation or a new appointment, the Form 806 is updated to reflect the change. The form must be updated promptly as changes occur.

In those instances where a Director or staff would like to participate in an entity that was not previously approved/ratified (as stated above), the proposed appointment of Directors and staff will be presented to the Executive Committee by the Board President and subsequently to the Board for approval prior to submission of interest or nomination to the individual association. On occasions when prior approval is not feasible, either due to timing or information limitations, the matter will be presented to the Board for concurrence and ratification.

Motion - 4/21/93; Gov. Code 53891; M-6/17/15

§2008 TIER TWO CONTINGENCY FUND

MET has a tiered rate structure, wherein Tier 1 rates apply to a specified annual volume. The higher Tier 2 rates apply to purchases above that specified volume.

1. **Creation of Tier Two Contingency Fund:** MWDOC has established the Tier Two Contingency fund for the uses and purposes specified herein, as well as other uses as approved by the MWDOC Board. From time to time it may be necessary to increase the level of funds, utilize the funds for the purposes specified herein, or to reduce the level of funds being held by MWDOC. Historically, MWDOC has funded the Tier Two Contingency Fund by assessing a “melded water supply rate” on all firm water sales by increasing the supply rate from that charged by MET by an amount equal to the melded water rate increment.
2. **Uses of Tier Two Contingency Fund:** Funds deposited into the Tier Two Contingency Fund shall not be expended or transferred except for the following purposes:
 - (a) **Payment of Tier Two Costs:** Funds from the Tier Two Contingency Fund may be expended to pay the difference between MET’s Tier One and Tier Two water rates, in the event MWDOC’s water purchases from MET exceed the Tier One block of allowable purchases.
 - (b) **Cash Flow Management:** Funds from the Tier Two Contingency Fund may be advanced to the General Fund to pay those charges which are imposed on MWDOC by MET, when the revenues designated to pay for such charges are collected by MWDOC over a different period. Advances made for such purposes shall be repaid into the Tier Two Contingency Fund, as the revenues designated to pay such charges are collected by MWDOC.
 - (c) **Rate Stabilization:** To the extent funds from the Tier Two Contingency Fund are not immediately needed for the purposes set forth in subsections (a) and (b) hereof, the Board may utilize such funds to purchase water or offset any increase in water rates or charges imposed by MET which would otherwise necessitate an increase in MWDOC’s water rate.
3. **Maximum and Minimum Fund Targets:** The Fund balance will be reviewed from time to time and managed by MWDOC to achieve a calendar year end above the minimum target based on a risk analysis performed by MWDOC staff regarding the likelihood of having to purchase Tier 2 water under various hydrologies and demand situations.
 - (a) As of January 2015, the MWDOC Board established the Minimum Fund Target at approximately \$1,000,000, due to the diminished likelihood of purchasing MET water above the Tier 1 limit. At the current differential

between Tier 1 and Tier 2, the minimum level of funding provides the ability to purchase about 7,500 AF of water.

(b) The Board may consider changes in the Policy of utilizing these funds to pay for the Tier 2 purchases differential based on the circumstances that are involved at such time as MWDOC purchases exceed the Tier 1 limit. The Tier 2 Contingency Fund was established within MWDOC to provide a regional mechanism to fund purchases above the Tier 1 limit such that any single MWDOC Member Agency would avoid direct exposure. Also, it avoided the need for MWDOC to allocate a Tier 1 limit to its Member Agencies. Tier 2 purchases can be triggered by a number of events in the County such as large purchases of water into Irvine Lake, large purchases of water for groundwater replenishment and large purchases of imported water due to a decrease in the OCWD Basin Production Percentage (BPP). Based upon how such circumstances arise, the Board may consider changes to this policy if they determine there is a more appropriate manner of dealing with Tier 2 costs. MWDOC's A&F Committee and Board reviewed the issues of Tiered or Melded Water Rates for Tier-1 and Tier-2 purchases from MET in November 2004, and retained the Melded Rate, with a provision for further review should OCWD's BPP fall below 60% in the future.

4. **Disposition of Excess Funds:** After the conclusion of each calendar year, the General Manager will review the year end Tier 2 Fund Balance (adjusted for certifications of non firm water purchases) and report this amount to the Board of Directors. The Board may consider issuing a credit to the member agencies. In the event credits are to be provided, the credit will be provided to each member agency either in check form or as a credit on the monthly water invoice (at the choice of the member agency).

§2009 RESERVE POLICY –

Reserves include all cash and investments held by MWDOC. Reserves are categorized as follows:

- a. **Unrestricted – Designated** - These reserves have been established for specific purposes as Designated by the Board of Directors.
- b. **Unrestricted** - Funds in unrestricted and undesignated reserves may be used for any purpose, including funding general operations, water use efficiency programs and capital expenditures.
- c. **Restricted** - Restricted reserves are funds whose use is governed by statute or other legal restrictions such as bond covenants, contracts, etc.

Restricted

- a. **WEROC Reserve** - WEROC reserves include annual operating and capital funds held for WEROC purposes. All revenues and expenditures for WEROC

purposes flow through the WEROC Reserve. WEROC reserves fluctuate on an as needed basis with some reserves held for unforeseen expenses and to enhance infrastructure and emergency systems. The WEROC expenditures and reserve are approved by the MWDOC Board and the WEROC contracted contributors.

Unrestricted – Designated

- a. **Operating Reserve** - The Operating Reserve is established to fund emergency expenditures, unbudgeted and unanticipated costs, and provide working capital if needed. MWDOC has established a target for the Operating Reserve to equal 120 days cash on hand.
- b. **Election Reserve** - The Election Reserve is managed to fund seven elections every four years. The estimated cost of elections and needed reserve levels shall be updated annually as part of the budget process. If the amounts in the Election Reserve exceed the estimated costs, the Board may consider other uses that would lower the long-term costs of the District.
- c. **OPEB Reserve** - The Board requested staff to fully fund the OPEB liability in 2016. The Actuarial recommendation is to fund between 85%-95% of the liability and put the remaining amount in a reserve fund, as to not overfund the OPEB trust. This recommendation was implemented in September 2016 with the reserve balance of \$209,000 to equal MWDOC's Unfunded Liability at that time. The reserve will be re-evaluated every two years beginning in 2018 after each actuarial study, and funds may be transferred to the OPEB trust to stay within the funding range.

Unrestricted

- a. **General Operations Fund** – Revenues are deposited in the General Operations Fund and are used to pay for annual operating expenses. Revenues include annual meter and groundwater charges generally paid in the first quarter of the fiscal year. Each year as part of the annual budget process, MWDOC will estimate commitments, liabilities and other carryover obligations to be retained in the General Operations Fund. Any amounts in excess of these liabilities and carryover amounts may be used for any legal purpose in the following budget year, including offsetting budgeted costs, credits or refunds to MWDOC member agencies, pre-payment of pension obligations, or any other purpose as determined by the MWDOC Board of Directors.
- b. **Water Purchase Payments Fund** - Amounts paid by MWDOC member agencies for water purchases in advance of the date payments are due to the Metropolitan Water District are held in the Water Supply Fund.
- c. **Conservation Fund** - The Conservation Fund includes grants and MET and member agency payments for Water Use Efficiency projects and programs. Funds from the Conservation Fund are used to meet Water Use Efficiency and conservation program costs. The Conservation Fund may have a negative balance as MWDOC pays upfront for rebates and invoices for reimbursement.
- d. **Trustee Activities Fund** – This fund holds deposits from Member Agencies for specific trustee activities (e.g., activities associated with the Allen McCulloch

Pipeline) and any unused funds will be returned to the Member Agencies who provided funding.

INVESTMENT POLICY AND GUIDELINES	§2100-§2109
---	--------------------

§2100 PURPOSE

The purpose of this policy is to set forth the investment and operational policies for the management of the public funds of Municipal Water District of Orange County. These policies have been adopted by, and can be changed only by a majority vote of the Board of Directors.

These policies are designed to ensure the prudent management of public funds, the safety of principal, the availability of operating funds when needed, and an investment return competitive with those of comparable funds and financial market indexes.

A copy of this policy will be provided to all investment brokers and investment managers doing business with the Municipal Water District of Orange County. Receipt of this policy, including confirmation that it has been reviewed by persons dealing directly with the Municipal Water District of Orange County's account will be received prior to any organization providing investment services to the Municipal Water District of Orange County.

§2101 STATUTORY AND DELEGATED AUTHORITY TO INVEST FUNDS

Authority to manage the investment of surplus funds is derived from California Government Code Sections 53601, et seq. In accordance with Section 53607 of the Government Code of the State of California, the authority of the Board of Directors to invest public funds may be delegated to the Treasurer for a one-year period, which may be renewed annually.

The Municipal Water District of Orange County (MWDOC) Board of Directors has expressly delegated the investment authority of the Board of Directors to the Treasurer pursuant to Resolution No. 1166. By Resolution No. 1277, the Board of Directors created the office of Deputy Treasurer and delegated to the Deputy Treasurer the authority to direct investment of MWDOC funds under the circumstances set forth in said Resolution, and to make a monthly report of those transactions to the Board. The Board of Directors created the office of Alternate Deputy Treasurer by Resolution No. 1434 and specified circumstances under which the Alternate Deputy Treasurer would have authority to direct the investment of MWDOC funds.

No person may engage in an investment transaction on behalf of MWDOC unless he or she has been duly appointed by the Board of Directors to the office of Treasurer, Deputy Treasurer, or Alternate Deputy Treasurer, and subject to the limitations and conditions set forth in the Resolutions establishing those offices and the terms of this policy. Notwithstanding the foregoing, upon the occurrence of a vacancy in the office of Treasurer, the Board of Directors may appoint an Acting Treasurer, who shall have and exercise the authority delegated to the Treasurer until appointment of a successor Treasurer by the Board of Directors.

The delegations in Resolution Nos. 1277 and 1434 are renewed on the adoption of this Policy.

The Treasurer shall be responsible for all transactions undertaken and shall establish procedures and a system of internal controls to regulate the activities of subordinate officials.

§2101.5 COMPLIANCE EXCEPTIONS REPORTING

Any compliance exceptions with the Investment Policy and Guidelines (IPG) will be reported within 72 hours to the General Manager, Board President, and the Chair of the Administration & Finance Committee. At the time of reporting, a recommended resolution to the matter shall be included. Notification shall also be included in the monthly Treasurer's Report to the Board of Directors with resolution noted.

§2102 ORGANIZATION

The organizational structure of the investment functions of MWDOC shall consist of the Board of Directors, the Administration & Finance Committee, the Treasurer and Deputy Treasurers. The responsibilities of these groups are as follows:

Board of Directors - the elected body responsible for the administration and investment of the assets of MWDOC. The Board may acquire, hold, manage, purchase, sell, assign, trade, transfer and/or dispose of any security, evidence of debt, or other investment in which MWDOC's assets may be invested by law. To assist them in discharging their responsibilities, the Board shall appoint a Treasurer, Deputy Treasurers and custodians of assets.

Administration & Finance Committee - appointed by the Board to review transactions, performance and asset mix, monitor, recommend policy, and propose adjustments for Board approval.

Treasurer - responsible for the administration and the investment of the funds, subject to the policies and restrictions set by the Board. The Treasurer as investment officer of MWDOC is granted full authority and responsibility by the Board in the purchase, sale, assignment, exchange and transfer of securities and for the safe custody of security holdings, subject to Board policies, rules, regulations and directives consistent with regulatory and statutory limitations. The Treasurer is responsible for interpreting, administering and advising on legal requirements, investment policies and strategies; collecting income, preparation of reports. Also responsible for Deputy Treasurer, and investment staff compliance with this Investment Policy and guidelines.

Deputy Treasurers - act in the absence of the Treasurer as specified within the Resolution of appointment to fulfill the duties and responsibilities as assigned by the Treasurer.

§2103 INVESTMENT PHILOSOPHY

Except where specifically directed by the State Constitution, statutes or regulations, the general investment policies of MWDOC will be guided by the prudent investor standard ("Standard") set forth in California Government Code Section 53600.3. Under this Standard, those with investment responsibility for public funds are trustees and, as trustees, shall act with care, skill, prudence and diligence under the circumstances then prevailing, including, but not limited to,

the general economic conditions and the anticipated needs of MWDOC, that a prudent person acting in a like capacity and familiarity with those matters would use in the conduct of funds of a like character and with like aims to safeguard the principal and maintain the liquidity needs of the agency.

This Standard shall be applied in the context of managing the overall investment portfolio. The investment officer, acting in accordance with written procedures and this investment policy and exercising due diligence shall be relieved of personal responsibility for an individual security's credit risk or market price changes, provided deviations from expectations are reported in a timely fashion and appropriate action is taken to control adverse developments.

§2104 SCOPE

It is intended that this Investment Policy cover all funds and investment activities of MWDOC. Any reference to the portfolio shall mean the collection of MWDOC securities held by the Treasurer. Those securities held in Trust or escrow by a third-party Trustee or escrow agent on behalf of MWDOC are invested under the Treasurer's direction in accordance with this Investment Policy and the terms of the specific escrow or trust agreements related to the funds.

MWDOC funds are divided into two categories, and the investment objectives and policies vary with the nature of the fund.

- Operating and Fiduciary Funds - These funds are to provide for the ordinary annual operating expenses of MWDOC (General Fund, Water Fund) and Funds to provide for trustee functions and expenditures (WFC, with the exception of the Debt Service Reserve) and other specified recurring and non-recurring purposes where MWDOC serves in a fiduciary role. These funds are considered "short-term" for investment purposes and will be invested to provide the safety and liquidity to meet all anticipated expenditures.
- Reserve Funds – These funds are designated for contingencies or emergencies and may be used to supplement the other funds as necessary. These funds may be invested "longer-term" as defined in this Investment Policy.

§2105 INVESTMENT OBJECTIVES

When investing, reinvesting, purchasing, acquiring, exchanging, selling or managing MWDOC's funds, the primary objective is to safeguard the principal of the funds. The secondary objective is to meet the liquidity needs of MWDOC. The third objective is to achieve a maximum return on invested funds (California Government Code Section 53600.5.). It is the policy of MWDOC to invest funds in a manner to obtain the highest yield possible while meeting the daily cash flow demands of MWDOC as long as investments meet the criteria established by this investment policy for safety and liquidity and conform to all laws governing the investment of MWDOC's funds.

Safety of Principal.

Safety of principal is the foremost objective of MWDOC. Each investment transaction shall seek to first ensure that capital losses are avoided, whether they arise from securities defaults, institution default, broker-dealer default, or erosion of market value of securities. MWDOC shall mitigate the risk to the principal of invested funds by limiting credit and interest rate risks. Credit risk is the risk of loss due to the failure of a security's issuer or backer. Interest rate risk is the risk that the market value of the MWDOC's portfolio will change due to an increase/decrease in general interest rates.

- 1) Credit risk will be mitigated by:
 - (a) Limiting investments to only the most creditworthy types of permissible investments as described in Section 2106;
 - (b) By pre-qualifying the financial institutions with which the Agency will do business; and
 - (c) By diversifying the investment portfolio so that the potential failure of any one issue or issuer will not place an undue financial burden on the District.

- 2) Interest rate risk will be mitigated by:
 - (a) Structuring the portfolio so that securities mature to meet the District's cash requirements for ongoing obligations, thereby reducing the possible need to sell securities on the open market at a loss prior to their maturity to meet those requirements; and
 - (b) Investing primarily in shorter term securities.

Liquidity

Availability of sufficient cash to pay for current expenditures shall be maintained. An adequate percentage of the portfolio shall be maintained in liquid short-term securities which can be converted to cash as necessary to meet disbursement requirements. Since cash requirements cannot always be anticipated, sufficient investments in securities with active secondary or resale markets shall be utilized.

Rates of Return

Yield on investments shall be considered only after the basic requirements of safety and liquidity have been met. The investment portfolio shall be designed to attain a market average rate of return throughout budgetary and economic cycles, taking into account the MWDOC's risk constraints, the composition and cash flow characteristics of the portfolio, and applicable laws.

§2106 INVESTMENT POLICY GUIDELINES

MWDOC authorized investment types, amounts, maturities, and other characteristics are stated in the Government Code Section 53601 (as periodically amended), and with the following exceptions as noted below.

- Collective Investment Pools - Assets of any of the funds may be invested in collective investment pools run and managed by other public bodies and banks that are approved by the Board of Directors. However, no such investment shall be made in a pool where the investment objectives differ from the investment objectives listed in Section 2105 of this investment policy, nor should any investment be made in a fund that engages in market timing or anticipating interest rate changes or that uses derivatives or other securities other than as a hedge against interest rate risk. The investment shall not exceed 20% of portfolio in effect immediately after such investment and no more than 10% in one pool.
- Money Market Mutual Funds - Investment in shares of money market mutual funds may be made if the investments meet the same restrictions as those of collective investment pools. In addition, purchase of these funds must not result in payment of a purchase premium or commission. These mutual funds must attain the highest ranking of two nationally recognized ratings services and the investment adviser must be registered with the Securities and Exchange Commission (SEC) as an investment adviser with not less than five years' experience managing market mutual funds with investment portfolios of greater than \$500 million. An investment shall not exceed 20% of portfolio in effect immediately after such investment.
- Cash Holdings - The portfolio will hold sufficient cash equivalent investments to ensure availability of sufficient funds to meet known obligations for the next three months. Idle cash will be invested to the fullest extent practicable in interest-bearing investments.
- Other permissible investments for the Operating and Fiduciary funds are:
 - Bank checking accounts, time deposits or certificates of deposit not to exceed the current Federal Deposit Insurance Corporation (FDIC) limit without being collateralized.
 - Negotiable Certificates of Deposit shall not exceed 30% of portfolio in effect immediately after such investment and no more than 5% in one issuer.
 - U.S. Treasury obligations.
 - U.S. Government Agency obligations and, U.S. Government Instrumentality

- obligations. May not invest more than 50% of portfolio from one issuer.
- Prime Commercial Paper rated A-1/P-1/F-1 by Moody's, Standard and Poor's or Fitch. May not exceed 25% of portfolio in effect immediately after such investment and may purchase no more than 10% of the outstanding commercial paper of any single issuer. The maximum maturity for Commercial Paper is 270 days.
- Prime Banker's Acceptances rated A-1/P-1/F-1 by Moody's, Standard and Poor's or Fitch shall not exceed 40% of portfolio in effect immediately after such investment and no more than 5% may be of any one commercial bank. The maximum maturity is 180 days.
- Corporate Securities (Medium-Term Notes) with a rating of "A" or better by at least two nationally recognized rating services Shall not exceed 30% of portfolio in effect immediately after such investment, with no more than 10% in one issuer.
- Loans with an agreement for the collateral to be repurchased by the borrower (Repurchase Agreements); the amount of such instruments will not exceed 20% of the market value of the portfolio with no more than 10% from one issuer. Maximum maturity is 1 year. U.S. Treasury and Agency securities are acceptable collateral with a market value of at least 102% of the value of the Repurchase Agreement. Prior to investment, a Master Repurchase Agreement will be signed with the qualified counterparty.
- Permissible investments for Reserve Funds are:
 - All investments permitted for the Operating and Fiduciary funds, except maturities may not exceed five years without Board approval prior to investment.
- Prohibited Investments and Investment Practices - The following are prohibited:
 - Purchases on margin or short sales.
 - "Derivative" securities of any type.
 - Lending securities with an agreement to buy them back after a stated period of time (Reverse Repurchase Agreements).
 - Futures, Options and Margin Trading
 - In no instance shall a swap be used in speculation. Losses are only acceptable if the proposed swap or trade can clearly enhance quality or yield (value) over the life of the new security on a Total Return basis.
 - Investments are limited to maturities of five years or less without express authorization of the Board prior to the investment.
- Diversification - The investment portfolio will be diversified to avoid undue concentration in securities of one type or securities of one financial institution, so that no single investment or class of investments can have a disproportionate impact on the total portfolio. This restriction does not apply to U.S. Treasury securities.
- Exemptions - Any investment currently held that does not meet the guidelines of this policy shall be exempted from the requirements of this policy. At maturity or liquidation, such monies shall be reinvested only as provided by the current policy.

§2107 EXECUTION

The responsibility for the execution of security transactions shall rest with such qualified members of the investment staff as designated by the Board. The selection of the broker-dealer for a specific transaction shall be based on price and yield quotations. Every effort shall be made to obtain appropriate discounts on individual orders.

Security orders shall be placed on the basis of accepted investment practices. All security transactions, including for repurchase agreements, entered into by MWDOC shall be on a Delivery-vs.-Payment (DVP) basis, i.e. payment will be made upon receipt of the securities to the safekeeping or trust account or custodial facility. All securities shall be held in MWDOC's name pursuant to an agreement and all financial institutions are instructed to mail confirmation and safekeeping receipts directly to MWDOC within three business days after the trade.

Receipts for the confirmation of trades of authorized securities will include information on trade date, par value, maturity, interest rate, price, yield, settlement date, description of securities purchased, agency's name, amount due, and third party custodial information.

§2108 PERSONAL CONDUCT

The Board of Directors of Municipal Water District of Orange County is acutely aware of the responsibilities the staff has in administering the investment assets of MWDOC. Members of the Board of Directors, the Treasurer, Deputy Treasurers and members of the investment staff may not have a direct or indirect interest in the gains or profits of any investment made by MWDOC and may not receive any pay or emolument (profit arising from office or employment usually in the form of compensation or perquisites) for services other than as designated by MWDOC for compensation and authorized expenses.

All persons responsible for investment decisions or who are involved in the management of MWDOC assets shall be governed in their personal investment activities by the codes of conduct established by the applicable state statutes, the Financial Industry Regulatory Authority (FINRA), the Securities and Exchange Commission, and the Code of Ethics and Standards of Professional Conduct of the Association for Investment Management and Research.

All persons responsible for investment decisions or who are involved in the management of MWDOC assets shall refrain from any personal business activity that could conflict with the proper execution and management of the MWDOC investment program, or that could impair their ability to make impartial investment decisions.

§2109 REPORTING

The Report shall be submitted within forty-five (45) days following the month ended. The report should be provided to and reviewed by the General Manager, the Administration & Finance Committee and provided to the Board of Directors. The report will include the following:

- Average weighted yield to maturity of portfolio on MWDOC investments;
- Listing of investments by maturity date;
- Market values of current investments;

This investment policy shall be reviewed by the Administration and Finance Committee annually and as frequently as necessary, to enable the Treasurer to respond to changing economic and market conditions.

§2110 GLOSSARY

AGENCIES: Federal agency securities and/or Government-sponsored enterprises.

It is composed of three sections: Introductory, Financial and Statistical.

ASKED: The price at which securities are offered.

BANKERS' ACCEPTANCE (BA): A draft or bill or exchange accepted by a bank or trust company. The accepting institution guarantees payment of the bill, as well as the issuer.

Technically, a broker is only an agent who executes orders on behalf of clients, whereas a dealer acts as a principal and trades from the firm's own account. Transaction confirmations must disclose this information. Because most brokerage firms act as both brokers and principals, the term broker-dealer is commonly used to describe them.

CASH EQUIVALENTS (CE): Highly liquid and safe instruments or investments that can be converted into cash immediately. Examples include bank accounts, money market funds, and Treasury bills.

CERTIFICATE OF DEPOSIT (CD): A time deposit with a specific maturity that usually pays interest. Also referred to as Negotiable CD's, they are insured by FDIC up to \$250,000, but they are not collateralized beyond that amount.

COMMERCIAL PAPER: Short-term unsecured promissory note issued by corporations or municipalities with maturities ranging from 2 to 270 days.

COUPON: (a) The annual rate of interest that a bond's issuer promises to pay the bondholder on the bond's face value. (b) A certificate attached to a bond evidencing interest due on a payment date.

DEALER: A dealer, as opposed to a broker, acts as a principal in all transactions, buying and selling for his own account.

DEBENTURE: A bond secured only by the general credit of the issuer.

DELIVERY VERSUS PAYMENT: There are two methods of delivery of securities: delivery versus payment and delivery versus receipt. Delivery versus payment is delivery of securities with an exchange of money for the securities. Delivery versus receipt is delivery of securities with an exchange of a signed receipt for the securities.

DERIVATIVES: (1) Financial instruments whose return profile is linked to, or derived from, the movement of one or more underlying index or security, and may include a leveraging factor, or (2) financial contracts based upon notional amounts whose value is derived from an underlying index or security (interest rates, foreign exchange rates, equities or commodities).

DISCOUNT: The difference between the cost price of a security and its maturity when quoted at lower than face value. A security selling below original offering price shortly after sale also is considered to be at a discount.

DIVERSIFICATION: Dividing investment funds among a variety of securities offering independent returns.

The mission of the FHLBs is to liquefy the housing related assets of its members who must purchase stock in their district Bank.

FEDERAL NATIONAL MORTGAGE ASSOCIATION (FNMA): FNMA, like GNMA was chartered under the Federal National Mortgage Association Act in 1938. FNMA is a federal corporation working under the auspices of the Department of Housing and Urban Development (HUD). Fannie Mae, as the corporation is called, is a private stockholder-owned corporation. The corporation's purchases include a variety of adjustable mortgages and second loans, in addition to fixed-rate mortgages. FNMA's securities are also highly liquid and are widely accepted. FNMA assumes and guarantees that all security holders will receive timely payment of principal and interest.

FEDERAL OPEN MARKET COMMITTEE (FOMC): Consists of seven members of the Federal Reserve Board and five of the twelve Federal Reserve Bank Presidents. The President of the New York Federal Reserve Bank is a permanent member, while the other Presidents serve on a rotating basis. The Committee periodically meets to set Federal Reserve guidelines regarding purchases and sales of Government Securities in the open market as a means of influencing the volume of bank credit and money.

FEDERAL RESERVE SYSTEM: The central bank of the United States created by Congress and consisting of a seven member Board of Governors in Washington, D.C., 12 regional banks and about 3,543 commercial banks that are members of the system.

FITCH, INC.: (See Nationally Recognized Statistical Rating Organization).

GOVERNMENT NATIONAL MORTGAGE ASSOCIATION (GNMA or Ginnie Mae): Residential mortgage-backed security (MBS) instruments --influencing the volume of bank credit guaranteed by GNMA and issued by geographically diverse mortgage companies, commercial banks, and thrifts of all sizes, as well as state housing finance agencies. Security holder is protected by full faith and credit of the U.S. Government. Ginnie Mae securities are backed by the FHA, VA or FHA mortgages. The term "pass-throughs" is often used to describe Ginnie Maes.

LIQUIDITY: A liquid asset is one that can be converted easily and rapidly into cash without a substantial loss of value. In the money market, a security is said to be liquid if the spread between bid and asked prices is narrow and reasonable size can be done at those quotes.

LOCAL GOVERNMENT INVESTMENT POOL (LGIP): The aggregate of all funds from political subdivisions that are placed in the custody of the State Treasurer for investment and reinvestment.

MARKET VALUE: The price at which a security is trading and could presumably be purchased or sold.

MASTER REPURCHASE AGREEMENT: A written contract covering all future transactions between the parties to repurchase—reverse repurchase agreements that establishes each party's rights in the transactions. MID TERM NOTES: Debt securities issued by a corporation or depository institution with a maturity of five years or less. This can also include debt securities originally issued for maturities longer than five years, but which have now fallen within the five year maturity range. If issued by a bank they are also referred to as "bank notes".

MOODY'S INVESTORS SERVICES, INC.: (See Nationally Recognized Statistical Rating Organization).

MONEY MARKET: The market in which short-term debt instruments (bills, commercial paper, bankers' acceptances, etc.) are issued and traded.

NATIONALLY RECOGNIZED STATISTICAL RATING ORGANIZATION: Firms that review the creditworthiness of the issuers of debt securities and express their opinion in the form of letter ratings (e.g., AAA, AA, A, BBB, etc.). The primary rating agencies are the following Standard & Poor's Corporation, Moody's Investor Services, Inc., and Fitch, Inc.

OFFER: The price asked by a seller of securities. (When you are buying securities, you ask for an offer.) See Asked and Bid.

OPEN MARKET OPERATIONS: Purchases and sales of government and certain other securities in the open market by the New York Federal Reserve Bank as directed by the FOMC in order to influence the volume of money and credit in the economy. Purchases inject reserves into the bank system and stimulate growth of money and credit; sales have the opposite effect. Open market operations are the Federal Reserve's most important and most flexible monetary policy tool.

OPTIONS: A contract that gives the buyer the right to buy or sell an obligation at a specified price for a specified time.

PORTFOLIO: Collection of securities held by an investor.

PRIMARY DEALER: A group of government securities dealers who submit daily reports of market activity and positions and monthly financial statements to the Federal Reserve Bank of New York and are subject to its informal oversight. Primary dealers include Securities and Exchange Commission (SEC)-registered securities broker-dealers, banks, and a few unregulated firms.

PRUDENT PERSON RULE: An investment standard. In some states the law requires that a fiduciary, such as a trustee, may invest money only in a list of securities selected by the custody state—the so-called legal list. In other states the trustee may invest in a security if it is one which would be bought by a prudent person of discretion and intelligence who is seeking a reasonable income and preservation of capital.

QUALIFIED PUBLIC DEPOSITORIES: A financial institution which does not claim exemption from the payment of any sales or compensating use or ad valorem taxes under the laws of this state, which has segregated for the benefit of the commission eligible collateral having a value of not less than its maximum liability and which has been approved by the Public Deposit Protection Commission to hold public deposits.

RATE OF RETURN: The yield obtainable on a security based on its purchase price or its current market price. This may be the amortized yield to maturity on a bond the current income return.

REPURCHASE AGREEMENT (REPO): A holder of securities sells these securities to an investor with an agreement to repurchase them at a fixed price on a fixed date. The security "buyer" in effect lends the "seller" money for the period of the agreement, and the terms of the agreement are structured to compensate him for this.

REVERSE REPURCHASE AGREEMENT (REVERSE REPO): A reverse-repurchase agreement (reverse repo) involves an investor borrowing cash from a financial institution in exchange for securities. The investor agrees to repurchase the securities at a specified date for the same cash value plus an agreed upon interest rate. Although the transaction is similar to a repo, the purpose of entering into a reverse repo is quite different. While a repo is a straightforward investment of public funds, the reverse repo is a borrowing.

SAFEKEEPING: A service to customers rendered by banks for a fee whereby securities and valuables of all types and descriptions are held in the bank's vaults for protection.

SECONDARY MARKET: A market made for the purchase and sale of outstanding issues following the initial distribution.

SECURITIES & EXCHANGE COMMISSION: Agency created by Congress to protect investors in securities transactions by administering securities legislation.

STRUCTURED NOTES: Notes issued by Government Sponsored Enterprises (FHLB, FNMA, SLMA, etc.) and Corporations, which have imbedded options (e.g., call features, step-up coupons, floating rate coupons, and derivative-based returns) into their debt structure. Their market performance is impacted by the fluctuation of interest rates, the volatility of the imbedded options and shifts in the shape of the yield curve.

TOTAL RETURN: A measure of performance, Total Return is the actual rate of return of an investment or a pool of investments, over a given evaluation period. TREASURY SECURITIES: Securities issued by the U.S. Treasury and backed by the full faith and credit of the United States. Treasuries are considered to have no credit risk and are the benchmark for interest rates on all other securities in the U.S. and overseas. The Treasury issues both discounted securities and fixed coupon notes and bonds.

UNIFORM NET CAPITAL RULE: Securities and Exchange Commission requirement that member firms as well as nonmember broker-dealers in securities maintain a maximum ratio of indebtedness to liquid capital of 15 to 1; also called net capital rule and net capital ratio. Indebtedness covers all money owed to a firm, including margin loans and commitments to purchase securities, one reason new public issues

BUSINESS EXPENSE & CREDIT CARD POLICY	§2200-§2208
--	--------------------

§2200 POLICY

Payment for MWDOC-related expenses incurred by MWDOC staff, MWDOC Directors, and MWDOC MET Directors, shall be allowed only for the purpose of furthering the interests of MWDOC. Directors attending events outside the MET service area and events requiring a registration fee in excess of \$500 require prior approval of the Board or ratification as per Section 1403. The purpose of this policy is to establish rules and procedures for reimbursement of expenses, use of MWDOC-issued credit cards and cash advances. Any expenses incurred by MET Directors, except mileage to MWDOC Board meetings, are to be submitted to MET for payment with accompanying receipts.

§2201 LEVEL OF EXPENSES AND EXPENSE REIMBURSEMENT RATES

Expenditures for lodging, meals, and transportation should provide for reasonable comfort and convenience. It should be borne in mind, however, that public funds are being spent and that only a reasonable level of expense is warranted. MWDOC shall not incur any costs for a spouse, or other accompanying person. The most economical mode and class of transportation reasonably consistent with scheduling requirements will be used. In the event a more expensive class of transportation is used, the reimbursable amount will be limited to the cost of the most economical class of transportation available. Reimbursement for travel expenses are subject to the following limits:

(a) Lodging shall be obtained at government group rates, when available. For conferences and organized educational activities, lodging costs shall not exceed the maximum group rate published by the sponsor of the conference or activity. If there is no government or group rate available, then lodging expenditures will be subject to the limitations of Section 2201 (c).

(b) Transportation costs and costs associated with transportation shall be reimbursed according to the requirements of Section 2203.

(c) Reimbursement to directors for meals, lodging, and other reasonable and necessary incidental expenses (excluding costs described in Section 2201 (a) or 2201 (b) above, shall not exceed \$700 per day.

(d) The maximum reimbursement amount in Section 2201(c) shall increase by 5% COLA each year on January 1, commencing January 1, 2016.

Motion 12/21/05; M-6/17/15; M-4/17/19

§2202 SUPERVISION

Since circumstances vary considerably in those instances where MWDOC Directors and employees must incur expenses, care by those incurring expenses and supervision by those approving expense accounts is the most effective method of control over expenditures. When expenses that will exceed the cap are foreseen, the Director shall seek Board approval before expenditure. When expenses which might be regarded as out of the ordinary are foreseen, Directors and the General Manager shall seek the approval of the Board President prior to incurring the expense. Staff members shall seek approval from the General Manager before incurring the expense. Requests for reimbursement of authorized business expenses will be submitted on a MWDOC Business Expense Report form and will include only one month's business expenses per report form.

The General Manager will approve all expenditures for business expenses of staff over \$300. The appropriate Program Manager shall approve all staff expenditures less than \$300. The Board President or Vice President shall approve all expenditures for business expenses incurred by the General Manager. The Board President or Vice President shall approve all Compensation Vouchers and expenditures for business expenses incurred by the MWDOC Directors, and MWDOC MET Directors, following the procedures outlined in Section 2206. In the absence of both Board President and Vice President, any member of the Executive Committee or Administration & Finance Committee shall have approval authority.

The General Manager shall reject or reduce claims for reimbursement resulting from any unauthorized expenses.

§2203 AUTHORIZED EXPENSES

For purposes of this Section, the term "employees" shall include Directors.

(a) Transportation Costs and Cost Associated with Transportation - expenses may include, common carrier fares, rental of automobiles, parking fees, toll charges, and mileage reimbursement for the use of personal automobiles (both Directors and employees) at the currently authorized mileage reimbursement rate.

(b) Overnight Travel – (See Section 2208 DEFINITIONS) expenses may include telephone calls, including one telephone call per day to the employee's family, common carrier fares, rental of automobiles, use of personal vehicles, meals and lodging, baggage handling, tips, etc., and other expenses essential to the business of MWDOC. Any additional expenses incurred by any family members accompanying the employee are not reimbursable.

(c) Meals & Lodging - Subject to the requirements of Section 2201(c) meals and lodging will be reimbursed for the day before a conference, only if it is necessary to be present early the next morning or if early travel is necessary due to limited travel alternatives. Meals and lodging on the day after a conference will only be reimbursed if attendance beyond noon of the last day of the conference is required or if travel the next day is necessary due to limited travel alternatives.

(d) Rental Vehicles – rental cars should be used only when less expensive transportation is not

available; i.e., shuttle vans, taxis, etc. The rental of a vehicle while traveling on MWDOC business is allowable under this policy and can be arranged by MWDOC staff in conjunction with an employee's travel plans. **Travelers are not to obtain additional insurance when renting cars as they are covered for car rentals by existing MWDOC insurance policies as long as the rental is being used for business purposes.** The use of rental vehicles should be coordinated among employees traveling on MWDOC business to the same location. The use of hotel/airport shuttle buses or taxis, depending on the amount of expected business use, is encouraged.

(e) Business Meal - business meal expenses may include the reasonable cost of meals and beverages, except alcoholic beverages, ordinarily associated with normal eating customs.

(f) Transportation - the type of transportation employed shall be selected on the basis of the lowest cost to MWDOC after all costs are considered, including the travel time and compensation; however, travel by common carrier bus or train shall not be required. For any one trip in excess of 200 miles one way, the preferred mode of travel shall be by airline coach or economy class. Except in emergency situations, all air travel arrangements shall be made by MWDOC. It should be considered that there are occasions when an employee/Director is able to secure a lower rate than normal by making his/her own reservations. In these instances, and to allow for appropriate tracking and accounting documentation, said Director shall notify staff immediately and payment for said reservations shall be made by MWDOC in accordance with this policy.

In the event a Director or employee chooses a higher fare (for personal reasons), said Director or employee shall be responsible for reimbursing MWDOC for the price difference in fare.

Should an employee elect a form of travel other than air for any one trip in excess of 200 miles one way, reimbursement for such travel shall not exceed the cost that would have been incurred and reimbursable if airline transportation had been used; i.e., Director compensation, travel to and from the airport (mileage, shuttle, taxi), round trip coach airfare to the ultimate destination in effect at the time, and airport parking. Expenses for extra lodging and meals, mileage, and Director compensation, as a result of such alternative travel will only be reimbursed if the total reimbursable cost does not exceed the costs that would have been incurred and reimbursable if airline transportation had been used. Under no circumstances shall reimbursement exceed the actual cost of the method of transportation used.

Any alternative travel for MWDOC business must be by the most direct route, considering the mode of transportation used. Additional expense resulting from travel by an indirect route for the personal interest of the employee is not reimbursable.

An employee who obtains airline tickets from MWDOC for the purpose of combining personal travel with MWDOC travel, or for travel with a family member, shall, prior to receipt of such ticket, make payment for the portion of cost attributed to personal travel or to the family member's travel.

§2204 EMPLOYEE/DIRECTOR CASH ADVANCES

Employees and Directors on travel status are expected to provide themselves with sufficient funds to cover all out-of-pocket expenses, which will be reimbursed by MWDOC, if appropriate.

If necessary, funds up to \$200 per day for business-related expenses will be advanced to employees and Directors to be on travel status on a temporary basis. Employees are required to complete a Seminar/Conference Attendance and Cash Advance Request form to be approved by the Program Manager or General Manager and must be submitted in advance to allow adequate time for processing. Directors shall obtain approval from the Board President or Vice President and shall notify staff at least two weeks in advance of traveling to allow adequate time for processing. Only one employee/Director advance shall be outstanding at any time and must be cleared through submission of a MWDOC Business Expense Report within 30 days from last day of travel. Any Business Expense report outlining the cash advance expenditures submitted after 30 days will be submitted to the Executive Committee for approval. The Director must repay any amount of the advance not covered by receipts or mileage claims.

§2205 MWDOC CREDIT CARD ADVANCE OF FUNDS

These guidelines and regulations provide the rules, procedures and restrictions for use of MWDOC-issued credit cards. Adherence to these procedures and restrictions in conjunction with the above authorized expenses is mandatory. Use of a MWDOC credit card in any manner determined by the Board as inappropriate or outside of the established regulations could result in the loss of credit card privileges.

Credit card limits and new card issuances are authorized by the General Manager. Use of the General Manager's credit card by staff is only with the expressed authority of the General Manager. Use of the MWDOC issued credit card for any personal expenses is prohibited.

If, inadvertently in the course of use of the MWDOC-issued credit cards, expenses that are unsubstantiated by receipts or not allowed under this policy are charged to the credit card, the amount will be identified on the MWDOC Business Expense/Credit Card Report form and subtracted from the allowable total.

Because the use of the MWDOC issued credit card is considered the same as a cash advance, all credit card expenses are to include the date, purpose and amount, with the total allowable charges reflected as a cash advance at the bottom of the Business Expense/Credit Card Report form, reducing the total amount due for reimbursement. All receipts for expenses over \$25 must be attached to the MWDOC Business Expense Report. If an employees' or Directors' Business Expense/Credit Card Report form results in a negative balance, a personal check for that amount is to be attached at the time of submittal. Any MWDOC Business Expense Report submitted incomplete and without proper attachments will be returned to the employee or Director. Expenses over \$25 without a receipt will require written explanation of the charge and shall be signed by the employee (and approved by the General Manager) or Director.

If a Director's Business Expense Report is not submitted by the time MWDOC must make payment on the credit card, all charges reflected on the billing will be charged against and used as a reduction of the next per diem compensation voucher. If the MWDOC Business Expense Report is submitted subsequent to the reduction of the compensation voucher, reimbursement will be

made at the issuance of the next per diem compensation check.

Any disputed or unsubstantiated charges for Directors will be submitted to the Executive Committee for review. Until a determination has been made and resolution has been arrived at, the amount in question will be charged against and used as a reduction of the next per diem compensation voucher.

Any disputed or unsubstantiated charges for employees will be submitted to the General Manager for review and appropriate action.

§2206 APPROVAL FOR REIMBURSEMENT OF FUNDS

MWDOC Business Expense Reports and Compensation Vouchers should be submitted within 60 days and should be separated by the month with which the activity/expense occurred. Credit card charges and cash advance details, however, shall be submitted for approval within 30 days of incurring the credit card or cash advance expense. More frequent submission may be required in the case of an Employee Advance. Payment for Compensation Vouchers for the MWDOC Directors is coordinated with MWDOC's bi-weekly payroll period.

Detailed expenses shall be reported on the MWDOC Business Expense/Credit Card Report, substantiated by the appropriate back up material as outlined in Section 2205 and submitted to the Program Manager for review and approval. The approved claim is submitted to the Accounting Department and scheduled for payment at month-end unless an early disbursement is requested. Expenses over \$25 without a receipt will require written explanation of the charge and shall be signed by the employee or Director.

Any Compensation Voucher or MWDOC Business Expense/Credit Card Report submitted more than 60 days after the close of any given month will be submitted to the Executive Committee for approval and may be disallowed for reimbursement. As stated above, credit card charges and cash advance explanations must be submitted to MWDOC within 30 days of incurring the expense. When Compensation Vouchers or expense reports are not submitted within 60 days after the expense is incurred, the expense may not be reimbursed unless a written explanation of the exceptional circumstances which caused the delay is submitted to and approved by the Executive Committee.

Motion: 11/15/95; 4/16/03; 12/21/05; M-6/17/15

§2207 PETTY CASH REIMBURSEMENT/ADVANCES

The Board has established a petty cash fund for the purpose of reimbursing MWDOC employees for minor expenses necessarily incurred in carrying out their duties. Requests for reimbursement must be accompanied by a receipt and must be approved by the Program Manager. Requests for reimbursement from petty cash are not to exceed \$100.00. The fund is available for purchases of miscellaneous items authorized by the Program Manager totaling less than \$100.00. An itemized

receipt is to be submitted to Accounting within one working day of purchase.

Claims for minor local mileage, parking, tolls, or postage expenses aggregating not more than \$50.00 may be reimbursed from petty cash. The claim shall include all information and approvals required to substantiate the claim. No business expenses other than those expenses identified may be reimbursed through the petty cash fund.

Employee advances from petty cash must not exceed \$50.00 per employee and must be cleared within one week of issuance. Exception to this amount would be any advances required by the employee for the approved purchase of MWDOC supplies.

NOTE: The policies relating to authorization to travel, and route and mode of travel are located in the Conferences and Travel Section of the Code.

§2208 DEFINITIONS

"Employee" shall mean MWDOC Directors, and MWDOC employees unless specifically stated otherwise. MWDOC MET Directors shall also be considered employees under this definition for the purpose of mileage reimbursement to attend MWDOC Board meetings. MET Directors are to submit all other expenses incurred in the performance of their duties as MET Directors to Metropolitan Water District of Southern California.

"Travel" shall mean attendance at meetings, conferences, or other functions on MWDOC business at other than the employee's headquarters or temporary headquarters or, in the case of Directors, their residences or places of business, whichever is applicable.

"Overnight travel" shall mean travel which prevents employees from spending their usual sleeping hours at their residences. Unless a meeting or conference is outside of the local area (Orange or Los Angeles County), lodging for such travel will not be considered an eligible expense unless the function spans more than one day AND requires travel time of one hour or more each way.

"Business meal" shall be one in which employees provide meals and beverages, except alcoholic beverages, ordinarily associated with normal eating customs under circumstances which are generally considered to be conducive to furthering the business of MWDOC. A "business meal" shall also include employees' meals at business meetings with non-employees who pay for their own meals, or at a business program sponsored by a business or professional association where the subject matter of the discussion is of importance to MWDOC.

Employees (not including Directors) ordinarily may not themselves partake in, or provide for others, business meals without authorization by the Program Manager or General Manager.

Whenever an employee who customarily performs MWDOC job assignments outside Orange County and is required to be outside of Orange County on MWDOC business during a period when a meal is usually partaken, the employee shall be reimbursed by MWDOC for the expense of meals partaken.

"Mileage reimbursement" shall mean the product of "business miles driven" times "the currently approved mileage rate" to reflect reimbursement for the use of a personal vehicle. Cost of gasoline or oil purchases, vehicle repairs or maintenance and vehicle insurance are incorporated into the mileage rate. Direct reimbursement for any expense incurred for a personal vehicle is discouraged and will at no time exceed the total amount derived from the "mileage" times "business miles driven" formula.

2. MET's Finance and Insurance Committee receives report and recommends preliminary terms and conditions to their Board; legal description and sketch must be prepared.
3. MWDOC's Board adopts resolution applying to LAFCO for hearing, terms, conditions, and environmental assessment.
4. LAFCO approves annexation following hearing and provides MWDOC with certified copy of resolution.
5. MWDOC's Board requests formal terms and conditions from MET's Board, providing certified MWDOC and LAFCO resolutions approving annexation and documents complying with California Environmental Quality Act.

8. MET's annexation fees are estimated based on the greater of the amounts of (1) the Back Tax Computation and (2) the Per-Acre charge adopted by their Board. MET's Per-Acre charge in 2014 was \$4,498. MWDOC's annexation fees are based on the Back Tax Computation.

require that the agency or property owner requesting annexation agree to be fully responsible for all of the costs, including any legal costs incurred as a result of an action against the MWDOC.

MWDOC's annexation fees are estimated based on prior tax rates (Back Tax Computation). MWDOC's engineering, legal and administrative costs are estimated up front and a deposit is requested from the applicant.

SERVICE CONNECTIONS	§5000-§5013
----------------------------	--------------------

§5000 GENERAL

Upon formal request by a Member Agency for a service connection, the General Manager is authorized to prepare for the Board's consideration, a formal agreement for the sale and delivery of water with the Member Agency being required to accept and comply with the terms and conditions of the Administrative Codes, rate resolutions, and rate ordinances put forth by MWDOC and MET which may be amended from time to time. MWDOC will furnish the Member Agency with the appropriate provisions and conditions with respect to completion of any service connection agreement.

The Member Agency shall make arrangements for the completion of service connections with MWDOC. The Member Agency shall make all deposits required and execute and furnish all necessary documents within sixty (60) days of notification by MWDOC. If necessary deposits and documents are not submitted within the required time, MWDOC will consider application for service connection canceled, no longer pending and of no force and effect.

The service connection agreements shall have provisions covering the topics in Sections 5001-5013.

M-6/17/15

§5001 DELIVERY OF WATER

Upon completion of said connection, MWDOC will deliver from said connection such quantities of water as requested, subject to the capacity of the connection, the availability of the water and the terms and conditions subject to the agreements between MWDOC and MET. Delivery of water by MWDOC is subject to its ability to purchase said water from MET.

M-6/17/15

§5002 TITLE

Delivery of water to Member Agency shall occur as the water is discharged from MET to MWDOC to the Member Agency, and thereafter such water shall be the property of the member agency, which shall be solely responsible for it.

M-6/17/15

§5003 PAYMENT FOR WATER

The Member Agency shall pay MWDOC for all quantities of water delivered subject to the price, rates, classification and conditions established by MWDOC from time to time according to the use to be made of such water. All deliveries shall be metered by MET and monthly statements will be presented by MWDOC to the Member Agency. Statements are due and payable within the time and according to the conditions established by MWDOC from time to time.

Any Member Agency may have any meter through which water is served from MET's facilities to any area within such Member Agency tested by MET at any time. Any Member Agency affected shall have the right to be represented by a qualified observer at and during any such tests. In the event that any such test shall disclose an error exceeding 2 percent, an adjustment shall be made in charges made to the affected Member Agency, covering the known or estimated period of duration of such error, but in no event exceeding six months, and the expenses of such test shall be borne by MET; otherwise, such expense shall be borne by the Member Agency requesting such test. This paragraph is consistent with MET Administrative Code Section 4506.

M-8/17/22

§5004 EQUIPMENT AND RIGHT OF WAY

The Member Agency must furnish without cost to MWDOC and MET all facilities, including any rights of way, meter or meters or other measuring devices, vaults, facilities and equipment for the securing of water from the lines of MET and will pay all costs, charges and expenses incurred in connecting its lines to, maintaining said connection and disconnecting said lines from the lines of MET. The Member Agency must agree to install and maintain such flow control device or devices in connection with the service connection as required by MWDOC and MET.

The Member Agency must furnish, operate and maintain its own lines for the distribution of any water received by it from MET and MWDOC who shall not be under any duty relative thereto or obligated therefor in any way.

§5005 AMOUNT OF WATER DELIVERED

If any question arises as to the amount of water delivered to the Member Agency and/or others, the decision of MWDOC's General Manager shall be final as to determining the amount and the apportionment thereof. The method of measure of water used by the member agency shall also be as determined by MWDOC's General Manager, who is also authorized and empowered to fix and apportion to the Member Agency the loss, if any, incurred in the transportation of water at and below the place of measuring of said water.

M-6/17/15

§5006 RESPONSIBILITY FOR FACILITIES AND ACCESS

MWDOC is not the owner of any meter, vaults, facilities and equipment, nor is it responsible in any way for any vaults, meter, facilities and equipment used in serving its Member Agencies. However MWDOC's General Manager shall have access at all times to any such facilities and equipment furnishing water to the Member Agencies and used in measuring water purchased by member agencies from MWDOC, whether connected to the source of supply of MET, or otherwise, and if

such devices are under lock or located in any structure, MWDOC's General Manager shall have free and unobstructed access to any and all facilities in which such devices are kept. Said MWDOC General Manager has the right, power and authority to test any such device, used by the member agency or on its behalf, if it is believed to be inaccurate or faulty in any way, and any devices found defective shall be promptly repaired or replaced without cost to MWDOC.

M-6/17/15

§5007 MET's CONDITIONS

Member Agencies shall accept and agree to comply with all the terms and conditions of MWDOC's and MET's resolutions relating to service connections and agree to grant or cause to be granted to MWDOC and MET such permanent easement as may be necessary for the construction, reconstruction, operation, maintenance, repair and removal of said connection in, over, through and under a parcel of land, the location and dimensions of which parcel shall be adequate for said purposes as determined by the Chief Executive Officer of MET, and which easement shall be in form satisfactory to MET's General Counsel.

§5008 WATER RATES

MWDOC charges a water rate in addition to the price charged for water by MET. If, in the opinion of MWDOC, it should become necessary for MWDOC to charge additional rates in connection with the furnishing of any water to a Member Agency under the agreement, the Member Agency shall promptly pay MWDOC its proportion of any such charges, based on the amount of water received which may be deemed necessary by MWDOC to be charged Member Agency in MWDOC, provided, however, that no such charge shall be levied or made by MWDOC to or against the member agency until MWDOC first gives written notice by registered mail to the member agency of its intention to make such a charge at least 10 days prior to making such charge or levy.

Notwithstanding any agreement to the contrary, in the event MWDOC incurs expenses relative to the operation and maintenance pertaining to said service connection, the Member Agency shall reimburse MWDOC for such expenses on presentation of bills for such expense.

See Sections 4001 and 1117 for additional Water Rates procedures and information.

§5009 REPAIRS

Pursuant to the terms of any agreements and/or MET resolutions or Administrative Code provisions, MET shall be responsible for any subsequent maintenance, alteration, reconstruction or relocation of said service connection, except changes which are requested by the member agency or MWDOC which changes shall be handled as a new service connection.

M-6/17/15

§5010 INDEMNITY

The Member Agency must agree that it will at all times indemnify and save harmless MWDOC from and against all loss, cost, damage and expense, including, but not limited to, reasonable engineers' and attorneys' fees, and from and against any and all claims or demands on account of injury to persons or property which may be made against MWDOC in any way related to the Member Agency's operations or the attachment, maintenance and operations of its facilities to or

the removal of its facilities from the facilities of MET.

§5011 MWDOC/MET AGREEMENT

The Member Agency must accept and agree to comply with, and be subordinate to, the agreement between MWDOC and MET, which agreement shall be attached to and made a part of Member Agency's agreement with MWDOC.

§5012 ENVIRONMENTAL PROCEDURES

In connection with the water service of such service connection agreement and agreement with MET, the Member Agency shall be responsible for compliance with all governmental environmental impact procedures and shall be responsible for all governmental permits, if any, prerequisite to the performance of any service agreement with MWDOC and comply with laws applicable thereto.

Original policy adopted 9/8/52 - R36; rescinded by R43 - 5/11/53; R74 - 10/11/54; Motion - 4/21/93;

§5013 ABILITY TO DEAL WITH A SUSPENSION OF IMPORTED WATER DELIVERIES

The goal of MWDOC is for its Member Agencies is to have available sufficient water supplies to their customers during both planned and unplanned outages of the import water system to be able to continue providing service to their consumers, from storage, local resources or interconnections with other agencies, without benefit of imported water through MET's system, for 7 average days of demand. MWDOC staff will be available to work with the Member Agencies toward meeting this goal.

In the event one or more of MWDOC's Member Agencies are unable to sustain a planned shutdown, MWDOC may pass on any costs imposed by MET. MWDOC may also pass on any non-staff costs directly incurred by MWDOC for helping agencies to plan for or to sustain a planned or unplanned outage of the import water system. Costs imposed by MET and non-staff costs incurred by MWDOC, if passed on to MWDOC's Member Agencies, may be passed through to certain Member Agencies by way of a special invoice. MWDOC will determine the "need for import" supplies, based on demands and available local supplies including storage. Supplies that would have been available from MET will be allocated proportionally among all agencies by their "need for import supplies". The special invoice will be allocated proportionally among all agencies calculated to have a "remaining unmet demand" after the MET supplies that would have been available have been fully allocated. In the event MWDOC cannot reasonably determine to which agency or agencies to pass the costs, the Board shall have the option to (1) pass the costs on to all of MWDOC's Member Agencies, or (2) fund the costs from MWDOC's reserves.

ETHICS POLICY	§7100-§7110
----------------------	--------------------

§7100 PURPOSE

The policy of MWDOC is to maintain the highest standards of ethics from its Board members, officers and employees (all shall be referred to as employees for the purposes of this section). The proper operation of MWDOC requires decisions and policy to be made in the proper manner, that public office not be used for personal gain, and that all individuals associated with MWDOC remain impartial and responsible toward the public. Accordingly, all employees are expected to abide by the highest ethical standards and integrity when dealing on behalf of MWDOC with fellow Board members or employees, vendors, contractors, customers, and other members of the public.

No Board member or officer shall grant any special consideration, treatment, or advantage to any person or group beyond that which is available to every other person or group in the same circumstances.

§7102 PROPER USE OF MWDOC PROPERTY AND RESOURCES

Except as specifically authorized, no employee shall use or remove or permit the use or removal of MWDOC property, including MWDOC vehicles, equipment, telephones, office supplies, and materials for personal convenience or profit. No employee shall require another MWDOC employee to perform services for the personal convenience or profit of another employee. Each employee must protect and properly use any MWDOC asset within his/her control, including information recorded on paper or in electronic form. Employees shall safeguard MWDOC property, equipment, monies, and assets against unauthorized use or removal, as well as from loss due to criminal act or breach of trust.

Employees are responsible for maintaining written records, including expense reports, in sufficient detail to reflect accurately and completely all transactions and expenditures made on MWDOC's behalf. Creating a document with misleading for false information is prohibited.

Motion - 1/17/96;

§7103 CONFLICT OF INTEREST

All MWDOC Directors, officers, and employees at every level shall comply with the requirements of Section 1090 of the California Government Code which prohibits such persons from being financially interested in any contract made by them in their official capacity, or by any body or

board of which they are members, or from being a purchaser at any sale or a vendor at any purchase made by them in their official capacity.

All Directors and employees designated under MWDOC's Conflict of Interest Code ("designated employees") and employees required to report under Chapter 7, Article 2 of the Political Reform Act (Government Code Section 7300 et seq.) shall promptly and fully comply with all requirements thereof.

MWDOC employees who are not designated employees under MWDOC's Conflict of Interest Code shall refrain from participating in, making a recommendation, or otherwise attempting to influence MWDOC's selection of a contractor, consultant, product, or source of supply if the non-designated employee, or an immediate family member, has a direct or indirect financial interest in the outcome of the selection process. No employee shall use his/her position with MWDOC in any manner for the purpose of obtaining personal favors, advantages or benefits for him/herself or an immediate family member from a person or entity doing business or seeking to do business with MWDOC. Such favors, advantages, or benefits would include, but are not limited to: 1) offers of employment; 2) free or discounted goods or services; or 3) gifts.

4. Acceptance of plaques and commemorative mementoes, of nominal value, or of value only to the recipient, such as service pins, recognition awards, retirement mementoes.

In no event shall any employee accept gifts from any single source, the cumulative value of which exceeds the applicable gift limit under California law.

A gift or gratuity, the receipt of which is prohibited under this section, shall be returned to the donor. §7106 USE OF CONFIDENTIAL INFORMATION

Confidential information (i.e., information which is exempt from disclosure under the California Public Records Act) shall not be released to unauthorized persons unless the disclosure is approved by the Board, President of the Board, or General Manager. Employees are prohibited from using any confidential information for personal advantage or profit.

§7107 POLITICAL ACTIVITIES

During the course and scope of their employment employees are prohibited from engaging in campaign activities associated with MWDOC Director elections, MWDOC Director appointments, the appointment of MET Directors, or from attempting to influence changes to MWDOC Division boundaries, except where such activities are expressly required in the course of official duties. Employees are otherwise free to personally, endorse, advocate, contribute to, or otherwise support any political party, candidate, or cause they may choose; however, employees are prohibited from soliciting political funds or contributions at MWDOC facilities or during the course and scope of their duties for MWDOC. In any personal political activity an employee may be involved in, it shall be made clear that the employee is acting personally and not for MWDOC. These provisions are intended to protect employees against political assessments, coerced political activities, and to prevent political activities on the part of employees from interfering with MWDOC operations. Motion – 6/17/15

§7108 IMPROPER ACTIVITIES

Employees shall not interfere with the proper performance of the official duties of others, but are strongly encouraged to fulfill their own moral obligations to the public, MWDOC, and its member agencies by disclosing, to the extent not expressly prohibited by law, improper activities within their knowledge. No employee shall directly or indirectly use or attempt to use the authority or influence of his/her position for the purpose of intimidating, threatening, coercing, commanding, or influencing any person with the intent of interfering with that person's duty to disclose improper activity.

§7110 VIOLATION OF POLICY -- DIRECTORS

A perceived violation of this policy by a Director should be referred to the President of the Board or the full Board of Directors for investigation, and consideration of any appropriate action warranted.

A violation of this policy may be addressed by the use of such remedies as are available by law to MWDOC, including, but not limited to: (a) adoption of a resolution expressing disapproval of the conduct of the Director who has violated this policy, (b) injunctive relief, or (c) referral of the violation to MWDOC Legal Counsel and/or the Grand Jury.

§7111 PERIODIC REVIEW OF ETHICS, CONFLICT OF INTEREST AND ADMINISTRATIVE GUIDELINES

Pursuant to the terms of Government Code Sections 53234 through 53235.2, each Director shall receive at least two hours of training in general ethics principles every two years. Pursuant to Government Code Section 53235(c), the curricula for ethics training must be approved by the Fair Political Practices Commission (FPPC) and the Attorney General. It is the general desire of the MWDOC Board to meet and review and/or receive a presentation that addresses principles relating to reporting guidelines on compensation, conflict of interest issues, and standards for rules of conduct during the first quarter of the year immediately following an election (every two years).

Each Director shall retain the certificate of completion from any ethics course in which he/she participates and shall provide a copy of such report to MWDOC. Such records shall be retained for five years from the date they are received.

The contract documents may include, among others, a notice inviting bids, proposal, bidder's bond, form of agreement, performance bond, payment bond, specifications and drawings. In the event that sole source Professional Service contracts between \$3,000 and \$25,000 are awarded pursuant to the General Manager's authority, the Sole Source Procurement Justification Form (included in the District's Contracts Manual) shall be completed and submitted to the next Board or Committee meeting as an informational item, prior to starting the work. If time constraints occur, the General Manager shall submit the Sole Source Procurement Justification Form and any supporting documentation to the Board President at least a week prior to starting the contract work and then will still include the Form on the next Board or Committee agenda as an informational item.

On competitively based contracts for professional services between \$3,000 - \$25,000, the General Manager shall provide an informational item to the Board or a Committee meeting regarding the nature of the contract. The General Manager shall submit an annual status report on all contracts executed under the General Manager's authority to the Administration & Finance Committee.

Procedures for Developing Requests for Proposals

Staff will prepare a description of the proposed project, its purpose, location, and other pertinent facts and shall request interested consultants to submit proposals; consultants may be requested to submit a statement of qualifications for certain activities. The proposals shall contain detailed information, including, but not limited to, the firm's ability to perform the job within the designated timeframe, the firm's design team, the firm's proposed use of sub-contractors, the firm's proposed scope of work, level of effort and estimated cost

range, and contract documents.

M-06/15/11; 06/17/15; 9/20/17; 8/19/20

§8005 REQUISITIONS AND PURCHASE ORDERS

All requests for purchases require the submission of a requisition via the District's Financial Management System and approval by the appropriate Cost Center Manager. If the Cost Center Manager is not available, the Assistant General Manager or General Manager may approve the requisition. The Accounting Manager approves all purchases. Purchases over \$3,000 require an approval by the General Manager or Assistant General Manager.

In the absence of the Accounting Manager or General Manager, the Alternate Deputy Treasurer(s) are authorized to approve purchase orders. It is normally expected that neither the General Manager nor the Accounting Manager nor those approving in their absence shall approve their own purchase orders. If the authorized signees are not available, the Cost Center Manager may approve their own purchase orders provided the purchase is ratified upon the return of the one who would normally approve.

A. Procurement Policy

Every attempt will be made to obtain the best quality materials, equipment supplies and services in the optimum time frame for the minimum price. Quality of performance or product, as well as lowest cost, will be considered in the process.

B. Online Requisitions

A purchase requisition shall be submitted via the online Financial Management system for requesting the purchase of supplies, material, equipment, labor or services. The requisition should be submitted accurately, and in advance of the date the supplies, materials, equipment, labor or services are needed, in order to allow time for processing.

Requisitions are to clearly specify the type, quantity, and cost of the goods or services required. Common-use items should be described by their popular names, supplemented by number, size, style or other identifying data. In the case of items or services regularly needed in MWDOC operations, where experience and convenience have indicated the most economical and convenient place of purchase, choose the customarily used vendor. If the vendor is not listed then request a Vendor Number from the Accounting Department. A tax ID number or a W-9 form is to be provided to the Accounting Department in order to process a new vendor. If items requisitioned need to be installed or assembled, it should be stated on the uploaded supporting documentation whether MWDOC or the vendor is to do the installing or assembling. Any unusual conditions in connection with delivery and/or installation/assembly should be indicated.

C. General Ledger Coding

Each requisition will specify the general ledger account number, fund, cost center, entity, activity code, program, region and class code if applicable for which the supplies, materials, equipment or services are necessary so that the costs of such purchase may

be charged to the proper account. The Cost Center Manager approving the requisition shall insure there are sufficient unencumbered funds in the proper account to cover the cost of the purchase.

D. Inspection and Acceptance of Order

The requisitioner in all cases is responsible for inspecting and for accepting or rejecting deliveries and for determining that both the quality and quantity of the delivery are as ordered. The requisitioner shall sign and date the delivery ticket and submit it to Accounting as certification that the goods were received and accepted. If the goods delivered are not accepted and returned, the requisitioner shall notify the vendor and the Accounting Department.

MWDOC PROPERTY	§9500-§9501
-----------------------	--------------------

§9500 DISPOSAL OF SURPLUS PERSONAL PROPERTY

The General Manager shall have the authority and responsibility for the ultimate sale or disposal of surplus personal property of MWDOC. The Accounting Manager shall be informed whenever MWDOC personal property is surplus to the needs of MWDOC. The Accounting Manager shall investigate whether the recommended surplus material or equipment can be economically used by another department within MWDOC, or disposed of by auction or sale, whichever provides the best return to MWDOC. The following guidelines are then applied:

- Under the direction of the Accounting Manager, staff will conduct a physical inventory of fixed assets every three years.
- In the case of items listed on MWDOC's fixed assets, submit the item(s) to the General Manager, with the Accounting Manager's recommendation, approve these assets as surplus and to sell or dispose of such items. The Administration & Finance Committee shall be informed of the intention to write off and sell or dispose of any items declared as surplus.
- Both items listed on the fixed assets and those items not listed on fixed assets shall be reviewed and may be disposed of at the discretion of the General Manager. Computer/electronic equipment that is considered surplus to MWDOC and was purchased specifically for business use for an employee or Director (i.e., iPad, laptop, PC) may be sold to the employee or Director for the fair market value.
- Whenever it is advantageous or useful to MWDOC to publicly advertise surplus personal property for sale or otherwise dispose of said property, the Accounting Manager, or a third party, shall sell said property to the highest bidder at auction, either online or in person, or by an established fixed price based on value analysis of the material.
- An attempt shall be made to determine the value of items declared surplus by contacting vendors who normally take items as trade-in or buy surplus items, or by looking for similar items for sale online.
- If the Accounting Manager determines that surplus personal property shall be disposed of by sale or auction, notice of the time and place of said sale or auction shall be either published in a newspaper of general circulation, either in print or online, or posted in at least three public places at least seven, but not more than 14 days prior to the date of the sale or auction. The notice shall

identify with reasonable particularity the items to be sold and shall state that any person may bid on said items and that all sales will be paid in cash. Items may also be sold or auctioned online through a third party and the online auction may remain open for a period of time. Items may also be sold over a period of time from the MWDOC office.

- If it is determined that the sale or auction of surplus property is infeasible or will result in minimal return to the District, surplus items may be donated to any non-profit corporation or school located within MWDOC's service area or sold to MWDOC employees at fair market value.

§9501 DISPOSAL OF SURPLUS REAL PROPERTY

SECTION 1: IDENTIFYING SURPLUS REAL PROPERTY

- 1.1 Preliminary Requirements - The General Manager shall establish a procedure for the continuous review of real property owned by MWDOC for the purpose of determining which of such property is surplus to MWDOC's needs. Upon determination by the General Manager that property is surplus, the Board shall be notified of the determination, then a) cause the property to be appraised by one or more appraisers and b) comply with the California Environmental Quality Act and the legal requirements pertaining to the disposition of property in cities or counties which have a general plan. If, upon such compliance, any official body objects to the proposed sale, the Board shall first expressly uphold or reject the objections. There being no objections, or the objections having been completed, the General Manager may then sell the surplus property as hereinafter set forth.
- 1.2 Authority for General Manager to Sell Surplus Property - If, after offering the property for sale to certain public agencies, as required by law, at the fair market value was determined by the General Manager after review of any or all appraisals of the property, no such offer is accepted, the General Manager may sell it either by public auction or by using the services of real estate brokers or a professional auctioneer.

SECTION 2: AUCTION BY MWDOC STAFF

- 2.1 If the General Manager or a duly authorized agent elects to sell the property by public auction, such auction shall be at such time and place as may be determined by the General Manager, with or without sealed bids having been first submitted.
- 2.2 Whenever the General Manager or a duly authorized agent determines that the sale shall be at public auction without sealed bids having been first submitted, no bid at the auction shall be considered unless the bidder shall, prior to the holding of the auction, deposit with the person designated by the General Manager to

conduct such sale, the percentage indicated in Section 4.1 of the amount specified in the notice of sale as the minimum bid, in cash, cashier's check or check certified by a responsible bank, as a guarantee that the person making the bid will purchase the property under the terms specified in the notice of sale. The property shall be sold to the highest responsible bidder at or above the minimum bid and the deposits of all other bidders be returned forthwith. The General Manager or a duly authorized agent shall reject all bids below the minimum bid.

- 2.3 Once the General Manager determines that the sale shall be by sealed bids, all bids shall be filed in the MWDOC office at or before the time specified in the notice of sale. Bids shall be on forms approved by the General Manager, and shall be accompanied by a cash deposit, cashier's check or check certified by a responsible bank in an amount not less than the percentage indicated in Section 4.1 of the amount specified in the notice of sale as the minimum bid, as a guarantee that the person making the bid will purchase the property under the terms specified in the notice of sale. The General Manager shall, at the time and place specified in the notice of sale, open the bids. Thereafter, there shall be a public auction at a time and place specified in the notice of sale, and any person shall be eligible to bid at the auction; provided, however, that any oral bid shall be ignored unless it exceeds by at least five percent the highest sealed bid made by a responsible person. No oral bid at such sale not preceded by a sealed bid from the same party shall be considered unless accompanied by a cash deposit, cashier's check or check certified by a responsible bank in an amount not less than the percentage indicated in Section 4.1 of the amount specified in the notice of sale as the minimum bid, as a guarantee that the person making the bid will purchase the property under the terms specified in the notice of sale. If no oral bid is made at the public auction, or if such oral bid is not in accordance with the provisions hereof, the property shall be ordered sold to the highest responsible bidder at or above the minimum bid. The General Manager shall reject all bids below the minimum bid.

- 2.4 A real estate commission shall be paid in connection with a sale at public auction on the following basis: the real estate commission shall not exceed the prevailing rate in the same area where the property is located and it shall be stated in the bid for which a claim for the payment of a commission is made that it is subject to the same. The commission shall be distributed in this manner:

When at a public auction, without sealed bids, if the highest bid was procured by a licensed real estate broker, the commission shall be paid to the broker. When at a public auction following submission of sealed bids, if the successful bid is the highest sealed bid, and it was procured by a licensed real estate broker, the commission shall be paid to that broker.

When at a public auction following the submission of sealed bids, if the successful bid was procured by a licensed real estate broker, but the highest sealed bid was not obtained by such a broker, the commission shall be paid to the broker. When

at a public auction following the submission of sealed bids, if the highest sealed bid was procured by a licensed real estate broker, but the successful bid was procured by a different licensed real estate broker, the commission shall be divided equally between the brokers.

When at a public auction following the submission of sealed bids, the highest sealed bid was procured by a licensed real estate broker, but the successful bid was not subject to a commission, one-half of the commission based upon the amount of the successful bid shall be paid to the broker.

In determining which is the highest bid, there shall not be subtracted therefrom the commission, if any, which the bid provides shall be paid to a licensed real estate broker.

- 2.5 The General Manager shall cause a notice of sale to be posted on the property in at least one conspicuous place. It shall specify the minimum bid which will be accepted for the property, which shall not be less than 90 percent of the lowest appraisal and shall state the terms of the sale which shall be in conformity with Section 1. The General Manager shall cause one or more advertisements of the sale to be placed in a newspaper, or newspapers, so as to give reasonable notice of the sale.

SECTION 3: OPEN LISTING

If the General Manager elects to sell the property by using the services of licensed real estate brokers, he shall do so by offering it for sale by advertising in a newspaper, or newspapers, that the property is being offered for sale with courtesy to brokers, and by notifying real estate boards in the area in which the property is located that the property is being offered for sale with courtesy to licensed brokers. The initial offer for sale shall be for no less than the highest appraised valuation of the property. The General Manager is authorized to sell the property for the highest price which can be obtained; provided, however that such price shall be no lower than the lowest appraisal without approval of the Board. The General Manager is authorized to pay to the broker who procures the accepted offer, a commission not to exceed the prevailing rate in the area in which the property is located.

- 3.1 Exclusive Listing - The General Manager may with the approval of the Board, give an exclusive listing to an individual licensed broker; provided, however, that the property shall not be sold for less than the lowest appraisal without the approval of the Board. In such case, the General Manager is authorized to pay a commission, upon consummation of the sale, not to exceed the prevailing rate in the area in which the property is located.

SECTION 4: AUCTION BY PROFESSIONAL AUCTIONEERS

The General Manager may sell the property by using the services of a professional

auctioneer and may in connection therewith pay the reasonable expense of advertising the auction, and agree to pay a commission to the auctioneer not in excess of the prevailing rate in the area upon the consummation of the sale. Any such sale shall be subject to the approval of the Board of Directors.

- 4.1 Required Deposit - No bid offer made pursuant to Sections 2, 3.0, and 3.1 above, shall be considered unless the bidder or offeror shall at the time the bid or offer is made, deposit with the person designated by the General Manager the percentage indicated below of the specified amount in cash, cashier's check or check certified by a responsible bank as a guarantee that the bidder or offeror will purchase the property for the bid or offered price.

<u>Specified Amount</u>	<u>Deposit</u>
To \$500	Full amount of bid or offer
\$501 to \$10,000	\$500 + 10% of minimum bid or offer
\$10,001 to \$50,000	\$1,500 + 5% over \$10,000
\$50,001 to \$100,000	\$3,000 + 3% over \$50,000
\$100,000 and above	\$4,500 + 2% over \$100,000

- 4.2 Terms - Any sale shall be for cash or on the following minimum terms: 20 percent down payment with balance amortized over 10 years at an interest rate equal to the prevailing rate charged by financial institutions in the area in which the property is located, and to be secured by a deed of trust on the property sold. No prepayment penalty shall be required.
- 4.3 Where the property was appraised on the basis of a different zoning on the property than the existing zoning, the sale may be made contingent upon the bidder or offeror obtaining a rezoning of the property within a reasonable time to be determined by the General Manager.
- 4.4 Policy of Title Insurance - The General Manager may furnish the successful bidder or offeror with a policy of title insurance, if possible, and open an escrow to complete the sale, paying the usual seller's charges in connection therewith; provided, however, that if it subsequently develops that the title company is unwilling to issue a policy insuring title to the bidder or offeror in the manner indicated, the General Manager shall not be required to furnish such a policy and the bidder has the option to cancel the sale; whereupon money previously deposited by offeror shall be refunded promptly and there shall be no further obligation on the part of either the bidder or the General Manager in connection with the sale; provided, further, that if under such circumstances the bidder or offeror elects not to cancel the transaction, the General Manager shall furnish such title insurance as the title company will then issue, and shall be released from liability on any representation relating to title theretofore made and not covered by the title insurance policy.

- 4.5 Completion of Sale - Execution and Delivery of Deed - The General Manager shall apply the deposit made by the successful bidder, or offeror, on the purchase price or down payment if the sale is on terms, and, upon completion of the sale either directly to him, or through an escrow, the General Manager is authorized to execute and deliver on behalf of MWDOC a grant deed conveying the property to such bidder or offeror. In the case of a sale for cash (1) without an escrow, the successful bidder or offeror must pay the balance of the purchase price to the General Manager within thirty days after the auction or acceptance of the offer or (2) with an escrow, upon the closing thereof; provided, however, that the General Manager may choose to give the successful bidder or offeror extensions of time in which to make the payment.
- 4.6 Forfeiture of Deposits - Any deposit made by a successful bidder or offeror shall be retained by MWDOC as liquidated damages if the bidder or offeror shall fail to complete the purchase in accordance with the terms and conditions of the notice of sale or offer. If there is such a failure, a licensed real estate broker, otherwise entitled to a commission under the provisions of this Section shall be paid as a commission, an amount not to exceed one-half of the deposit so retained after deducting title and escrow expenses, if any; but in no event shall it exceed the commission which would have been received in the absence of such failure. If the successful bidder or offeror does not complete the sale as required by this Section, the property may be sold to the next highest bidder or offeror who wishes to buy.

SECTION 5: RESERVATION OF OIL, GAS AND MINERAL RIGHTS

The right to extract all oil, gas hydrocarbons or other minerals without the right of surface entry for the development thereof, shall be reserved in the sale of any real property under the provisions of this Resolution provided, however, that there shall be no such extraction within 500 feet of the surface.

RISK MANAGEMENT AND CLAIMS HANDLING	§10000-§10004
--	----------------------

§10000 OBJECTIVE

To preserve and protect MWDOC assets and public service capabilities against loss, destruction, or depletion to the extent physically and financially reasonable; to protect against the financial consequences of such loss; to prevent or minimize the effects of injury to employees and the public; to identify various risks and procure appropriate protection against such losses at the most reasonable long-term cost; and, to follow sound risk transfer practices by transferring risks to third parties through appropriate provisions whenever practicable and feasible.

§10001 POLICY STATEMENT

MWDOC has established this policy for management of MWDOC risks. This policy applies to all risks of loss such as fire, natural disaster, liability claims, theft, employee injury claims and other risks of property and liability loss, direct and indirect. This policy does not apply to deliberately assumed costs such as employee benefits, depreciation, wear and tear, or obsolescence. It shall be the policy of MWDOC to:

- Identify and measure risks of accidental loss
- Avoid or eliminate loss where practical
- Minimize, control or contractually transfer loss to others where practical
- Retain risks that can be assumed from current funds without serious impact on MWDOC's financial condition where this is the most economical and practical approach
- Purchase insurance coverage or participate in joint self-insurance arrangements with other public entities when the risks of loss are beyond MWDOC's capacity to absorb or where this expenditure is justified economically
- Maintain information for proper reporting and record keeping of losses, claims, premiums and related costs, insurance policies, coverage documents and other information

It is MWDOC's policy to follow the guidelines developed by its insurance provider for risk transfer procedures for contracts.

M-6/17/15

§10002 RESPONSIBILITY

MWDOC shall designate a staff member as Risk Manager for the purpose of carrying out the intent of this policy. That person shall be responsible to direct and administer the program and to recommend changes as required to best implement the overall policy of

MWDOC as set forth above. It is the responsibility of management and staff personnel at all levels to maintain lines of communication to the Risk Manager so that he/she will be advised on a timely basis of factors that would have a bearing in the management of risks or on the purchase of insurance or participation in a joint self-insurance program. This responsibility applies particularly to contracts, new or discontinued facilities, newly-recognized hazards, potential losses and known losses.

§10003 DETAILS OF RISK TRANSFER PROGRAM

The following rules shall apply to MWDOC records with the exception of requests for inspection or reproduction of documents created or retained in MWDOC files in accordance with the Political Reform Act, Government Code Sections 81000 through 91015. See Section 11003 regarding procedures for said documents.

Procedure for Responding to Inspection Request

Persons desiring to inspect any public record shall submit a request in writing specifying the records desired to be inspected. The request shall reasonably describe an identifiable record or information produced therefrom. Since the majority of MWDOC records are kept off-site, the District Secretary shall determine whether said records are on the premises or at an off-site location. If found to be off-site, a minimum of two (2) working days will be required to search for, retrieve, and make said records available. The requesting party shall be advised of date and time said records will be available. If access is to be denied, a written notice shall be given to the requesting party within ten (10) days stating the reason therefor and identifying the person responsible for denying the request. The time limit may be extended in unusual circumstances through written notice by the District Secretary to the requesting party, setting forth the reasons for the extension and the date on which such determination is expected to be made. No such notice shall specify a date which would result in an extension of more than ten (10) additional working days. Unusual circumstances are defined in Section 11001.

Any person requesting inspection of records under the provisions of the California Public Records Act shall be assisted in making a focused and effective request by the District Secretary or designated representative. Original records and copies which are permanently retained by MWDOC may not be removed by the inspecting person from the designated inspection area.

Search for Records and Restriction on Access

A reasonable effort shall be made to locate requested records. If the records are located and are determined to be exempt from disclosure under the Public Records Act, the requesting party shall be advised in writing of the reasons for the restrictions and, in cases of denial of access, of the name and title of the person responsible for the denial. If only a portion of a record is exempt from disclosure, any reasonably segregable non-exempt portion of the record shall be provided to a person requesting such record after deletion of the portions which are exempt. If the documents requested cannot be located after a reasonable search the requesting party is to be so advised.

§11001 REQUESTS FOR COPIES OF RECORDS

Any person requesting copies of records shall submit a written request to the District Secretary and shall reasonably describe an identifiable record or information produced therefrom. Since the majority of MWDOC records are kept off-site, the District Secretary shall determine whether said records are on the premises or at an off-site location. If found to be off-site, copies of documents determined to be subject to disclosure will be provided within ten (10) working days. The requesting party shall be advised of date and time said records will be available. If access is to be denied, a written notice shall be given to the requesting party within ten (10) days identifying the reason therefor and the person responsible for denying the request. The time limit may be extended in unusual circumstances through written notice by the District Secretary to the requesting party, setting forth the reasons for the extension and the date on which such determination is expected to be made. No such notice shall specify a date that would result in an extension for more than ten (10) additional working days.

For purposes of this section, "unusual circumstances" means:

- a. The need to search for and collect the requested records from off-site facilities or other establishments that are separate from the office processing the request.
- b. The need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records which are demanded in a single request.
- c. The need for consultation, which shall be conducted with all practicable speed, with another agency having a substantial interest in the determination of the request or among two or more units of MWDOC having substantial subject matter interest therein.

§11002 FEEES FOR DUPLICATION OF RECORDS

The direct cost for photocopies of MWDOC records, except as provided in Section 11003, shall be twenty-five cents (\$0.25) per page, and for electronic copies provided on a compact disk (CD) the direct cost shall be \$1 per CD. For records produced through other media, the requestor shall be responsible for the direct costs of duplication. Where production of an electronic record either (1) involves a record that is produced only at otherwise regularly scheduled intervals, or (2) requires data compilation, extraction, or programming, the requester shall bear the cost of producing a copy of the record, including the cost to construct a record, and the cost of programming and computer services necessary to produce a copy of the record. An invoice and a receipt shall be furnished to the person or agency requesting copies. Actual postage charges incurred in mailing such copies shall be included in the invoice and receipt; however, no fee may be charged for time involved in research or retrieval. All fees shall be paid on or before delivery of such copies. Public agencies may, at the discretion of MWDOC, be exempted from payment of such fees if duplication of records is deemed to be pertinent to the business of such public agency.

Copies shall be provided at a charge not to exceed ten cents (\$.10) per page. A retrieval fee not to exceed five dollars (\$5.00) per request shall be charged for copies of reports and statements which are five years old or more (Government Code Section 81008).

---------------------------------	----------------------

The purpose of this policy is to provide for the maintenance, retention and disposal of MWDOC's historical, administrative, legal, and financial records while complying with the legal requirements and the needs of MWDOC. All official District records should be inventoried and analyzed to ensure that valuable records are adequately preserved; and non-records and obsolete records are destroyed in accordance with the approved records retention schedule, and all other applicable laws, including Government Code Sections 60200 through 60204.

§11100 RETENTION OF ORIGINAL RECORDS/RECORDS RETENTION SCHEDULE

Records which shall be retained permanently in their original form include resolutions, ordinances and orders of the Board, minutes of meetings of the Board, deeds, easements, records that are determined by an executive officer of MWDOC to be of very significant and lasting historical, administrative, engineering, legal, fiscal or research value and records required by law to be filed and preserved as advised by General Counsel. These records will be identified in an approved records retention schedule, which shall determine the period of time original records are to be retained by the District, including those with permanent retention. Changes to the records retention schedule shall be presented to the Board of Directors for approval. See the Administrative Services Manager for Records Retention Schedule.

§11101 DESTRUCTION OF PAPER RECORDS WHERE ALTERNATE ARCHIVING IS REQUIRED (TRUSTWORTHY ELECTRONIC RECORDS)

Paper records may be destroyed to rely on the electronic record as the official record of the District, provided they are first archived on alternate media in accordance with the requirements of Government Code Section 60203, and imaged in accordance with laws and the Trustworthy Electronic Records Policy.

See Administrative Services Manager for Trustworthy Electronic Records Policy.

§11102 DESTRUCTION OF ORIGINAL DOCUMENTS WHERE ALTERNATE ARCHIVING IS NOT REQUIRED – THIS SECTION WAS DELETED PER BOARD ACTION 10/19/16

§11103 CUSTODIAN OF MWDOC RECORDS/DESTRUCTION OF ORIGINAL RECORDS AFTER APPROVAL

While the District Secretary is the official custodian of MWDOC records, each Department Head shall be the custodian of records which are filed in that particular department. Original records, in accordance with this Code, may be destroyed only on prior approval given by the Department Head and the District's Administrative Services Manager. Further, records that are still active and/or needed for reference may be kept beyond the time frame set forth in MWDOC's Records Retention Schedule upon prior approval by the Department Head or Administrative Services Manager.

§11104 ELECTRONIC MAIL (E-MAIL) RETENTION POLICY

E-mail messages and their attachments (which may include executable, video, and/or voice files) are records which are created, stored, and delivered in an electronic format. Similar to paper-based records, they may contain information pertaining to District business, necessitating retention and disposal in accordance with the District's Records Retention Schedule and E-mail policy. See Administrative Services Manager for policy.

MWDOC/COASTAL CONSOLIDATION ISSUES

§12000-12002

§12000 INTRODUCTION

MWDOC and Coastal MWD consolidated effective January 17, 2001. Many factors and issues were evaluated in bringing the two agencies together. MWDOC has documented several of the issues in the event they become important for future consideration.

§12001 Standby Charge Levied in MWDOC and Coastal Service Areas

This is an issue has to do with the level of Standby Charge being levied in the MWDOC service area of \$10.09 per acre or per parcel less than an acre and a similar but higher charge of \$11.60 in the Coastal service area. The Standby Charge levied by MET is higher in the Coastal service area because at the time the Standby Charge was established by MET (1993), it was partially based on the dependence on imported water to the member agency service area. Since the Coastal service area had proportionally fewer groundwater resources than the MWDOC service area, the charge was higher. Amounts raised by MET through the Standby Charge are forwarded to each participating MET member agency (including MWDOC and Coastal) as credits against the amount owing under MET's Readiness-to Serve Charge. The higher charge in the Coastal service area generates about \$120,000 per year more than if the charge was reduced to \$10.09 to match the MWDOC service area standby charge.

During the consolidation transition period (from 1998-2000), MET engaged in continued discussions regarding restructuring of its rates and charges, and the continued levy of a MET Readiness-to-Serve Charge was often in doubt. Consequently, no action was taken by Coastal or MWDOC to request that MET equalize the two charges. The only reason for retaining this item is to be aware of the different levels of the Standby Charge in the event MET ever changes its rate structure.

§12002 MET Capacity Provided in the EOCF#2 for the Coastal Service Area

The East Orange County Feeder Number 2 (EOCF#2) is a 25-mile long treated water transmission main, constructed in 1962 by MET, Anaheim, Santa Ana, MWDOC and Coastal. The purpose of the pipeline was to increase the treated water capacity to southeastern Orange County and to replace capacity to Anaheim, Santa Ana and Coastal that had been used in the Orange County Feeder by the growing MWDOC service area. It should be remembered that upon the formation of the MWDOC service area in 1951 the Anaheim and Santa Ana city service areas from MET had been frozen and the growing portions of these cities beyond the boundaries as they existed in 1951 was included as part of the MWDOC service area. That has since been changed.

Coastal MWD purchased 10.0 cfs of capacity in the EOCF#2 as it was constructed. This capacity has since been assigned to the retail agencies within Coastal (July 2000).

In addition, MET provided 84 cfs of oversizing capacity in the facility to meet the additional needs of Coastal and the original city areas of Anaheim, Fullerton and Santa Ana. MET's 84 cfs of capacity provided was designated to the following areas:

Agency	cfs
Anaheim	6
Santa Ana	15
Coastal	63
Met Total	84

In MET Resolution 6635, adopted January 12, 1965, it was noted that:

"the capacities allocated to MET in the several reaches of the East Orange County Feeder No. 2 shall be used for delivery of water to said older member cities to meet their requirements for services to areas which were within their boundaries on November 26, 1951, the date of the annexation of Orange County Municipal Water District to MET and to the Coastal Municipal Water District as it was constituted on January 1, 1955, until such time as like delivery of water can be made to them in whole or in part through other facilities, provided, that until such conveyance capacity is needed for delivery to such older members for such purpose and always subject to the policy declared herein as to such older members, it may be used by MET for the sale and delivery of water in accordance with the provisions of the Metropolitan Water District Act. . . . "

The exact meaning of this section in today's context given that MET has provided capacity in the Allen McColloch Pipeline and South County Pipeline facilities to serve both MWDOC and Coastal, has not been fully analyzed or debated with MET. Rather, the purpose of this section is to raise the issue and provide that the consolidation of MWDOC and Coastal shall not in any manner erode or diminish any rights that the retail agencies within the Coastal service area may have or be able to assert with respect to any or all of the 63 cfs of capacity in the EOCF#2 provided by MET.
