

Responses to Questions Received on the Request for Proposal (RFP)
Development of Demand Forecasts for Orange County Water Agencies
(RFP ENG. 2024-01)
October 30, 2024

- 1. Under Section 5. Required Proposal Content, sub-section B. Experience and Qualifications, it says “Include a schedule showing the percentage of time each team member will contribute to the project”. Can you please clarify what you envision for the “schedule”?**

Answer: We are looking for on a percentage scale what amount of each team member’s time will be spent on this project in a straightforward table format or other format as you see fit. Please indicate the basis of time, e.g., percentage of total project hours or percentage of hours per week, etc.

- 2. Should the proposal include both MWDOC logo and OCWD logo?**

Answer: Yes, please include both logos. Orange County Water District (OCWD) is a co-funding partner of this project.
