

2025-26 WEEA SPONSORSHIP LEVELS

WATER ENERGY EDUCATION ALLIANCE

All sponsors receive an annual progress report. Annual paid sponsorships cover a 12-month period from July-June.

VISIONARY PARTNER \$20,000

Includes all benefits from previous sponsorship levels, plus co-hosting two (2) workforce tours, keynote opportunities, premium visibility, and exclusive strategic engagement.

CATALYST PARTNER \$10,000

Includes all prior benefits, plus host a workforce tour site, gain spotlight session access, enhanced branding, and join cross-sector conversations shaping California's workforce.

TRANSFORMATION PARTNER \$5,000

Large logo placement, select media highlights, featured in promotional & event materials, and invited to help shape Leadership Roundtable agendas.

ADVOCATE PARTNER \$2,500

Small logo placement on the WEEA webpage, event materials, and select social media. Organization featured in at least one (1) industry newsletter or online publication.

BECOME A WEEA SPONSOR

Administered and led by the Municipal Water District of Orange County (MWD OC), the Water Energy Education Alliance (WEEA) is a dynamic, statewide coalition of educators, workforce advocates, and industry leaders united to build strong, equitable career pathways to water and energy jobs for all California students. With over 250 participating organizations, WEEA serves as a powerful connector—bridging gaps between educational institutions and the water-energy sector to align classroom learning with real-world workforce needs. This collaboration benefits students, schools, and employers alike by ensuring that today's training meets tomorrow's job demands.

Students engaged in focused, career-aligned programs are more likely to graduate, pursue higher education, secure employment, and earn higher wages—setting the foundation for lifelong success.

WEEA has already sparked impactful partnerships by identifying schools' curriculum needs and clarifying the technical and soft skills industry requires. Your sponsorship helps us continue this momentum—linking organizations to create programs that shape a more prepared, capable, and future-ready workforce.

2025-26

EDUCATION ALLIANCE**

THANK YOU FOR SPONSORING WEEA!

Thank you for supporting the Water Energy Education Alliance (WEEA). Your sponsorship—at any level—directly supports programs and training that open doors to stable, well-paying careers. These efforts not only empower students but also strengthen our workforce, support industry vitality, and enhance the long-term health of California’s communities and economy.
