2025 Urban Water Management Plan (UWMP) Preparation for Orange County Water Agencies (RFP ENG. 2025-02)

May 15, 2025

1. **Question:** Which of MWD OC's Member Agencies have indicated a desire to either prepare their UWMP with their own staff or use a combination of staff and a consultant? Inversely, which agencies have asked MWD OC to facilitate a joint effort to retain one consulting team to help update their individual UWMPs? Have any Agencies notified you of making participation changes compared to 2020?

Answer: The table below shows the agencies who have expressed interest in the 2025 UWMP Shared Services Program participation (i.e. joint effort to retain one consulting team) to date.

**This information is based on a preliminary project planning survey and does not indicate the final number or make up of agencies committed to participating in the Shared Services Program.*
